CAN HAVE RIFLE RANGE

At Lake Erie Site, Which
Necessary Adjunct to a
Successful Camp is Im-
possible at Upper Arling-
ton—Col. Edward Voll-
rath Still Believes Eighth
Will Go South

(ASSOCIATED PRESS TELEGRAM)
Columbus, July 26.—In a Wash-
ington dispatch received today by the
Columbus Evening Dispatch, Major
General A. J. Miles, chief of the mil-
itia division of the war department,
is quoted as saying that the Ohio
national guard will see Mexican bor-
der service. The dispatch quotes
Major General Miles as saying "the
order to the Ohio guardsmen send-
ing them to the front will be issued
as soon as they are thoroughly
ready."

Camp Willis, Columbus, July 26
—National Guard officers declared
the nature of inquiries made by Col.
George K. Hunter, inspector gen-
eral of the central department of the
army during his visit to Camp Willis
today, clearly indicated the war de-
partment is considering the advisa-
bility of sending the Ohio milita-
men to Camp Perry for rifle range
practice and maneuvers. After a short
stay at camp, Col. Hunter re-
turned to Columbus announcing he
would today go to Camp Perry.

Major Robert W. Mearns, senior
muster officer, said following Col.
Hunter's visit he had been advised
that artillery men in the Michigan
mobilization camp had been report-
ed "thoroughly equipped except with
mosquito bar," but were being held
in camp awaiting this article of
equipment.

Major Harold M. Bush, command-
er of the Ohio artillery, inquired
whether his men would be held at
Camp Willis to await the arrival of
horse shoe nails when they have no
horses.

Colonel Edward M. Vollrath, com-
mander of the Eighth regiment, to-
day declared he is still of the belief
his men will be sent to the Mexican
border as soon as equipment for
which requisition has been made ar-
rives.

Other officers think the troops
will go to Camp Perry for a stay of
a week or two regardless of whether
they are sent south or home at the
termination of this training.

In a consignment of blank forms
and muster-in rolls received by Ma-
jor Mearns at Camp Willis several
days ago were a number of muster-
out rolls. This was considered sig-
nificant by several officers who pre-
dicted the muster-out process
was soon to be ordered, but others
declared the sending of these blanks
occurred through a mistake.

Two companies of the Sixth reg-
iment F. of Defiance, and G. of Na-
poleon, were given physical examina-
tions today by federal officers. These
companies have been in quaran-
tine because of the discovery of
two cases of small pox among their
men. Twenty-one privates were re-
jected from the Defiance "outfit."
Checking of the rolls of the other
command has not been completed.

Frightful Toll of Life Has Marked Fighting at Verdun; Herculean Task of Germans

[Special to The Advocate]
Washington, D. C., July 26.—"An
appreciation of the task both of de-
fenders and assaulters in the five
months' bloody struggle for Verdun
is possible only when it is remem-
bered that the region which goes by
the name of the French town of 20-
000 people is virtually a fortified
area of 130 square miles," says to-
day's war geography bulletin of the
National Geographic Society.

"When the crown prince's army
began its siege of the great fortress
on the Meuse it faced the herculean
labor of reducing eighteen forts
which had been constructed after the
most approved plans of modern army
engineers, and in addition to these
there was an equal number of re-
doubtable batteries, girdling every
height in the neighborhood of the
town, on both banks of the Meuse.
"A series of straight lines connect-
ing all forts makes a perimeter of
nearly forty miles, with the longest
distance between any two being that
from Fort de Marre on the west
bank of the Meuse to Fort de Dou-
aumont, the most northerly defense
on the east bank. This line meas-
ures six miles, but in the gap were

PRESIDENT

Will Be Urged to Take
Prompt Measures Against
Great Britain

FOR REMOVAL OF COM-
MERCIAL BLACKLIST

Resolutions Adopted By
Merchants' Association

NOW ARE IN WASHINGTON

Preamble States That There
is Reason to Believe Great
Britain Eventually Will
Attempt to Dominate the
Important Commercial
Activities of the American
People

(ASSOCIATED PRESS TELEGRAM)
New York, July 26.—Copies of
resolutions calling upon the United
States government to take prompt
measures to bring about the recall
of commercial restrictions placed up-
on American citizens by Great Brit-
ain, were sent today to the members
of the senate and house of repre-
sentatives and the governors of all
states. The resolutions were adopt-
ed by the Association To Resist
British Domination of American
Commerce.

Maurice B. Blumenthal, counsel
for the association left for Washing-
ton late last night, carrying a copy
of the protest which he hopes to
hand to President Wilson today.

The preamble of the resolution
states that the measures adopted by
Great Britain are intended "to com-
pete American aid in destroying the
commerce of her adversaries, re-
gardless of consequences to Ameri-
can trade or rights." It also de-
clares that the facts upon which the
blacklisting of American firms was
based were gained by "unlawful
seizure, detention and examination
of American mails."

Fear is expressed that eventually
Great Britain may dominate the im-
portant commercial activities of the
American people. It is also stated
that it is manifest that Great Brit-
ain's trade ships cannot be accorded
the hospitality of American ports or
negotiate commercial affairs with
any American citizen or firm on
these shores "or elsewhere" so long
as other citizens are restricted in
their rights of trade.

BRITAIN AGREES TO ALLOW FOOD FOR CIVILIANS

London, July 26, 5 p. m.—The
British government, it is learned to-
day, will consent to the plan for ra-
tioning the civilian population in the
areas occupied by German and Aus-
trian armies under supervision of a
neutral commission appointed by
President Wilson if the central pow-
ers will consent not to remove native
food supplies.

Details of the plan will be given
Ambassador Page in a letter from the
foreign office this week.

Replying to the request of Walter
Hines Page, the American ambas-
sador, for expedition of the answer to
the American note regarding the de-
tention of mails by British censors
the British foreign office today said
that the reply would be sent to the
United States as soon as possible,
but that Great Britain still was con-
ferring on the subject with the
French government.

YOUNG MAN ACCUSED OF MURDER OF GIRL IN MOST REMARKABLE MANNER

(ASSOCIATED PRESS TELEGRAM)
Olney, Ill., July 26.—When a
small air bubble burst in an artery
under pressure of a physician's
knife, the first chain of evidence
against Roy Hinterliter, who
brought the body of Miss Elizabeth
Ratcliffe to a sanitarium here last
Friday night in a buggy was said by
Prosecuting authorities today to have
been welded. The death of the Rat-
cliffe girl is said by medical authori-
ties to be without parallel if it de-
velops that a crime actually was
committed.

Hinterliter was bound over to the
grand jury without bond by a coro-

ner's jury, which held him respon-
sible for the girl's death.

Hinterliter began calling on the
girl about ten months ago, when
she came to Olney from Paoli, Ind.,
to live with her sister, Mrs. Bert
Francher. Last Friday evening the
couple went driving. The girl is
said to have died under an old elm
tree two miles from town. Doctors
say she was dead when she was
placed in the buggy for the ride to
the sanitarium.

"We were getting near town when
she said, 'Roy, I feel bad,'" Hinter-
liter told the physicians. "Then
she fell over in my lap and I rub-
bed her hands and feet but could not
bring her to."

At an autopsy, no marks of vio-
lence were found but it developed
that the girl soon was to become a
mother. Examination failed to re-
veal any attempt at an illegal opera-
tion.

The stomach was examined. No
trace of poison was found. Then one
of the examining doctors stuck a
probe into an artery, and a bubble
burst. It was said by the physicians
that only two things known to medi-
cal science would cause embolism in
the arteries, faulty injection by a
hypodermic needle or a lesion of a
lung.

The body was examined carefully.
There was no needle mark nor lesion.
(Continued on Page 2, Col. 7.)

"IN THE TRENCHES" AT THE COLONIA DUBLAN CAMP, MEXICO

Companies G and H of the 24th infantry, in trenches at Colonia Dublan, Mexico.

Camp life does not pall on the American troops in camp at Colonia Dublan, Mexico. Their minds and bodies are kept engaged with drills and military maneuvers. Trench work covers a large share of the day's program of tactics. The men take turns in the pits and practice handling their guns, repulsing attacks and accustoming themselves to working in close quarters.

GOOD ROADS

FUND APPORTIONED TO SEVER-
AL STATES BY AGRICULTUR-
AL DEPARTMENT.

Each State Must Provide Amount
Equal to That Put Up by Fed-
eral Government.

(ASSOCIATED PRESS TELEGRAM)
Washington, July 26.—Appor-
tionment among the states of the first
year's appropriation of \$5,000,000
carried by the new good roads act
was announced today by the de-
partment of agriculture, which has cer-
tified the figures to the treasury de-
partment and state officials.

To be entitled to its share each
state must provide an amount equal
to that put up by the federal govern-
ment. Texas gets the largest share,
\$2,919,927; New York second, \$2,300,000;
Pennsylvania third, \$2,300,000;
Illinois fourth, \$2,200,000. Ohio
gets \$1,889,905 and West Virginia
\$53,270.

Before making the division, Sec-
retary Houston deducted three per-
cent, or \$150,000, set aside by the
act for administration. Then the
\$4,850,000 was allowed to the states
on the basis of one-third respective-
ly in the ratio of area, population
and rural deliver and star mail
routes.

The first instalment is for the fi-
scal year ending June 30, 1917. For
the four succeeding years the follow-
ing amounts to be apportioned in the
same manner, are asked: 1918, \$10-
000,000; 1919, \$15,000,000; 1920,
\$20,000,000; 1921, \$25,000,000.

In addition, \$1,000,000 is ap-
propriated each year for ten years for
the development of rural roads in
the national forests.

TWELVE KILLED; TRAIN WRECKED AT MORALES, MEX.

(ASSOCIATED PRESS TELEGRAM)
Laredo, Tex., July 26.—Twelve
persons were instantly killed and 22
injured in a wreck of a northbound
train on the National Lines at Mo-
rales, Mexico, 40 miles north of Mon-
terey, Mex., yesterday when the train
encountered a bad piece of track and
tumbled over into a gully. News of
the wreck reached here today.

SUBMARINE DROPS BRITISH BIPLANE.

Berlin, July 26, 12:40 p. m.—A
British biplane was shot down by a
German submarine at a point north
of Zebruggie, Belgium, on Monday.
says an official statement issued by
the German admiralty today. Two
officers in the machine were cap-
tured.

LONG LIST

OF NAMES FOR NEW TARIFF
COMMISSION BEFORE PRES-
IDENT WILSON.

If Created, Commission Will Have
Five Members, and Several
Hundred Are Suggested.

(ASSOCIATED PRESS TELEGRAM)
Washington, July 26.—President
Wilson is scanning a long list of
names presented for the new tariff
commission proposed in the general
revenue bill. The commission, if
created, would have five members.
Several hundred men have been sug-
gested for it. The revenue bill,
which has been passed by the house,
will be passed by the senate, proba-
bly just before adjournment.

Duties of the commission would
be to investigate the country's cus-
toms law, relations between the
rates of duty of raw material and
manufactured products, effects of ad-
valorem and specific duties, tariff re-
lations between the United States
and foreign countries, commercial
treaties and foreign competition.

JEALOUS

RAGE OF YOUNG BOSTON OSTEO-
PATH RESULTS IN VICTIM'S
DEATH.

Dr. Eldridge Atwood Who Says He
Avenged Sweetheart's Wrong
Faces Murder Charge.

(ASSOCIATED PRESS TELEGRAM)
Boston, July 26.—Dr. Eldridge
D. Atwood, the youthful osteopath,
who in a jealous rage attacked and
fatally wounded his former friend
and instructor, Dr. Wilfred K. Har-
ris, was informed today that Harris
died last night. Atwood, the avenger of
alleged wrongs to his sweetheart,
Dr. Celia P. Adams, was told that
the charge against him would be
changed from assault with intent to
kill, with a probable penalty of ten
years' imprisonment to murder in
the first degree, a conviction on
which in this state usually results in
execution unless leniency by the
governor intervenes.

Arrangements were made today to
remove Atwood to the courthouse for
arraignment on the murder charge.
He is 23 years old, bright appearing
and ambitious. His reputation, ac-
cording to his intimates had been
good, up to the time that his unfor-
tunate love affair culminated in the
death of Miss Adams by poisoning.

DESPERATE

Struggle for Village of Poz-
ieres Results in Complete
British Victory

GENERAL HAIG OCCU-
PIES TOWN

Which Gives Him Another
Vantage Point

RUSSIANS' BIG VICTORY

Evacuation of Strongly For-
tified Town By Turks In
Armenia Results From
Impetuous Russian Drive
Upon Three Sides, By
Grand Duke Nicholas' Army

The most important events of the
great war in Europe are summariz-
ed by the Associated Press as fol-
lows:

The entire village of Pozieres, in
which a desperate battle has been
waged for several days, has been won
by the British, London announces to-
day.

By completing his occupation of
Pozieres Gen. Sir Douglas Haig has
won another vantage point in his
offensive along the Somme with
Bapaume as his objective. Part of
the village lies on high ground com-
manding the main road from Albert
to Bapaume along which the Brit-
ish are advancing in their main
drive.

The British advance is being
pushed also on either side of the
village and the official statement
records the capture from the Ger-
mans of two strong trenches to the
west.

The impetuous Russian drive in
Turkish Armenia has resulted in the
evacuation of the fortress of Erzin-
gan by the Turks, according to an
unofficial dispatch from Petrograd.

Grand Duke Nicholas has been
converging his forces on the city
from three directions and the Rus-
sians were yesterday reported only
ten miles from it.

The Turks are said to be retiring
in disorder, leaving quantities of
guns, rifles and munitions in their
trail. Sivas, 130 miles west of Er-
zingan, will be their new base, it is
assumed by military observers.

CITY EMPLOYEES OF PITTSBURGH ARE ON STRIKE

(ASSOCIATED PRESS TELEGRAM)
Pittsburgh, July 26.—Eight hun-
dred and fifty street sweepers, park
laborers, teamsters and chauffeurs,
employees of the city, who have been
organized into a local union of the
American Federation of Labor,
struck today for an increase in
wages, and the abolition of white
uniforms for sweepers. Their state-
ment to the public says they now
receive an average of \$2.40 for an
eight-hour day and work only 20
days in the year. They want an in-
crease of five cents an hour.

Soon after the men went out the
city administration made an appeal
to the drivers of street flushing ma-
chines to keep them in operation be-
cause of the presence of infantile
paralysis and the desire of the
health department to have all streets
washed regularly. The men are ex-
pected to give their answers tonight.

(Continued on Page 2, Col. 1.)

RESCUERS

Will Get Out Bodies of Their
Dead Comrades If
Possible

AND THEN REFUSE TO
WORK AGAIN

City Faces Possibility of In-
definite Delay

TUNNEL STILL A PERIL

Cleveland May Face Numer-
ous Direct Damage Suits
Resulting From Failure to
Pay City's Premium to
State Compensation Fund
—Investigations Have Al-
ready Started

(ASSOCIATED PRESS TELEGRAM)
Cleveland, Ohio, July 26.—Rescue
forces went to waterworks crib No.
5 in Lake Erie this forenoon in
hopes of being able some time today
to penetrate the remote and wrecked
portion of the death tunnel where
the bodies of the unrecovered dead
of Monday night's disaster still re-
main.

Waterworks officials stated today
that they believe there are eleven
bodies still in the tunnel instead of
twelve as previously estimated. They
assert that all of the dead of the
rescue forces which were wiped out
striving to save the workmen who
were first trapped by an explosion
have been recovered and that the
corpses still in the tunnel are re-
stricted to the eleven men, including
Assistant Supt. S. H. Vokes, who
went into the tunnel at 8 o'clock
Monday night, an hour and a half
before the explosion occurred.
Should this prove to be the case the
total death toll of the horror is 21
instead of 22.

Hope that the remaining dead
men be recovered within a few hours
was strengthened today when work-
men were able to replace the bull's
eye in the air lock, broken yester-
day to allow the poisonous gases to
escape from the tunnel. Workmen
were able to replace the bull's eye
without detecting any trace of gas
in the tunnel. This led to belief
that the rescue parties will be able
to excavate the wrecked tunnel with-
out danger of being overcome by
gas. However, some waterworks of-
ficials expressed the opinion that it
might be three days before the rest
of the dead are reached.

The city today faced the possi-
bility of indefinite delay in the
completion of the tunnel. Work-
men made no secret of the boast
that they would never return to the
work in the tunnel. Once their dead
comrades are brought out they will
quit, they say. Only five workmen
of ninety who have been employed
at crib No. 5 were on the scene to-
day. The workmen assert that the
tunnel is a perpetual peril and they
will never risk their lives there
again. They say other workers will
be secured only with the greatest
difficulty in view of the horror.

The city's investigation into the
disaster was underway today. It
began with a conference this morn-
ing of Mayor Harry L. Davis, Law
Director W. S. Fitzgerald and Utili-
ties Director Thomas Farrell. They
made up a list of witnesses to be
called when public hearings open
later today. Meanwhile federal,
state and county officials were get-
ting arrangements completed for be-
ginning their investigation. It is
hoped that Supt. Gustav C. Van Du-
zen, who nearly lost his life heading
a rescue party into the tunnel yester-
day, will be able to testify dur-
ing the investigation.

Contact of Child With Child Spreads Infantile Paralysis, Is Important Announcement

(ASSOCIATED PRESS TELEGRAM)
New York, July 26.—The most
important contribution to informa-
tion about infantile paralysis
made public here today was a state-
ment by Dr. Simon Flexner of the
Rockefeller institute, that the dis-
ease is spread primarily by personal
contact of child with child.

This fact developed at a con-
ference of local health authorities which
received reports from thirty nurses
and five physicians engaged in field
work. Dr. Flexner said that the
work of the Rockefeller institute
committee, of which he is chairman
"also tended to prove what he had
believed, that the disease is spread
by personal contact. For instance,
a baby may be sick on a trolley car
and a child sitting next to it may
contract the disease."

The Society for the Prevention of
Cruelty to Animals announced that
fear of the epidemic had caused a
tremendous increase in calls upon it
to make way with cats and dogs.
Since the first of July 75,000 cats
and 8,000 dogs have been put to
death by the society's agents. Men
sent out by the society pick upon an
average of 3,700 animals a day.

Last year the society collected dur-
ing the first twenty-four days of
July, only 33,000 cats and dogs.
The epidemic of infantile paraly-
sis continued to gain headway to-
day. Although yesterday's high re-
cord of deaths was not equalled there
were more cases reported.

The daily bulletin of the health de-
partment shows that during the twenty-
four-hour period ending at ten
o'clock this morning the plague killed
35 children and there were 163
new cases reported in the five bor-
oughs of New York City.

The plague apparently shifted its
center from Brooklyn to Manhattan,
a gradual increase in new cases and
deaths being noted there daily com-
pared with a decrease in Brooklyn.
Today there were 42 new cases
reported in Manhattan, and twelve
fatalities.

FATAL INFECTION FROM PINKETTS WAT.

Napoleon, O., July 26.—Mrs.
Harry Knapp, who opened a cold
sore with her finger nail, died yester-
day as result of infection of the
sore. She leaves a husband and five
children.

Men of Newark

John J. Carroll
DRY GOODS

FOR COURTESY
QUALITY
AND
PRICE

JOHN J. CARROLL HAS LONG BEEN A PROMINENT FIGURE IN Newark's commercial life. He came to this city in the late eighties and embarked in the drygoods business in the room now occupied by the Hub clothing store. A few years ago he secured a long time lease on the new six-story Hull building where he now operates an up-to-date department store. Mr. Carroll deals in drygoods, ready-to-wear garments for women, cloaks, carpets, etc., and a few years ago added a Victrola department. Mr. Carroll is president of the Moundbuilders Country club, is connected with some of the leading financial institutions of the city and is a member of the board of directors of the American Tribune.

STAND

OF PRESIDENT WILSON BACK OF NAVAL BILL ENCOURAGES SENATE LEADERS.

Who Now Believe That Measure Will Suffer Less at Hands of House Conference.

(ASSOCIATED PRESS TELEGRAM) Washington, July 26.—Senate leaders, encouraged today by President Wilson's stand for the senate naval program, were in high hopes that the senate bill would suffer less at the hands of a conference committee than had been expected. Whether the President's influence was strong enough to put through the full senate program was considered uncertain.

The house probably will name conferees when it meets again Thursday. Senate members have been named. Representative Buchanan, of Illinois, fighting reference of the measure to conference on the contention that it is too important to be disposed of that way, succeeded yesterday in preventing naming of house conferees, but the rules committee is prepared to force leaders' plans for a conference.

Chairman Stone of the senate foreign relations committee told President Wilson today, he anticipated no difficulty in having the senate ratify promptly the treaty now being negotiated by the United States with Denmark for the purchase of the Danish West Indies for \$25,000,000. It is understood that the treaty will be signed in a few days.

Passage of the army bill carrying more than one hundred million dollars in increases over the house measure is looked for in the senate today. Most of the senate committee's provisions had been acted on when the bill was taken up today and a vote was in prospect before adjournment.

The senate yesterday provided in the bill for a council of national defense to comprise the secretaries of war, navy and interior, the army chief of staff, a navy officer and not more than six industrial experts.

Child labor legislation found a place on the senate legislative program today, its passage determined upon by leaders after an urgent request had come from the White House. Senate Democrats at a caucus last night decided over the protests of southern senators to put it ahead of the shipping bill. A long debate preceded the decision.

RESCUERS

(Continued from Page 1.) ing the investigation. He is in the hospital recovering from his experiences.

Some of the questions to be determined by the city's investigation are:

Whether air tests were made regularly in the tunnel.

Whether enough pressure was maintained in the shaft or whether officials were slack in this regard in an effort to cut cost.

Why work was started Monday night before the chemists had reported on samples of gas.

Why the city neglected to have on hand pulmotors and air helmets after demanding such appliances be kept on hand by contractors.

Why rescuers who lost their lives were permitted to enter the tunnel while respirators and pulmotors lay idle at bath houses and police stations.

City and county officials here to-

Advised that the explosion had occurred at "Crib No. 5" causing the loss of a score of lives, reached Gordon park, Leob immediately went to the scene and became active in the rescue work. He was overcome on the second trip down the air tube and for several minutes after reaching the surface was deaf, blind and apparently without sense of feeling.

A pulmotor was used by firemen at the crib and Leob was soon able to continue the rescue work.

CONFERENCE ON MUNITIONS TAX

(ASSOCIATED PRESS TELEGRAM) Washington, July 26.—The war munitions tax in the revenue bill as it passed the house was the subject of a conference today between President Wilson and Senator Stone, a member of the senate finance committee. The senator said he thought some changes in the tax should be made.

DENTAL SURGERY DISCUSSED.

(ASSOCIATED PRESS TELEGRAM) Louisville, July 26.—Clinical demonstrations of the newest developments in the science of dental surgery featured today's program of the twelfth annual convention of the National Dental association which is in session here.

SUICIDE

ATTEMPTED BY NEW YORK DETECTIVE OF "WIRE TAPPING" SQUAD.

Nervousness Over Coming Examination Thought by Fellow Officers to be Cause.

(ASSOCIATED PRESS TELEGRAM) New York, July 26.—John Kennel, a detective attached to the "wire tapping" squad of the police department, attempted suicide today by shooting himself through the breast in the room used by the squad in a down town office building. Kennel was a witness in the John Doe inquiry which has been investigating charges that Catholic priests conspired to obstruct justice during the recent investigation into charitable institutions and during which the police tapped the wires of certain clergymen.

Kennel was taken to a hospital in a critical condition. He was one of the detectives who "listened in" on the telephone wires of Dr. Daniel C. Heller, Monsignor John J. Dunn, Robert W. Hubbard and others involved in the charges and recorded so called phonograms of their conversations.

On Thursday last, Kennel was submitted to a test before Justice Greenbaum, presiding at the investigation as to his proficiency in recording conversation. Justice Greenbaum called the test a failure but announced that he would give Kennel another opportunity to prove his proficiency. This test was to have been held today or tomorrow.

The detective had explained that he was nervous when the first test was made.

According to fellow detectives who were with him today in the wire tapping room, Kennel was again very nervous and jumping to his feet exclaiming:

"Oh the failure of this thing to go through! If it doesn't it will drive me mad."

He then went behind the partition and a moment later shot himself. The original phonograms taken down by Kennel were used as the basis of the charges in the John Doe investigation.

TURKS EVACUATE FORTIFIED TOWN TO THE RUSSIANS

(ASSOCIATED PRESS TELEGRAM) London, July 26, 1:10 P. M.—Erzingan, the strongly fortified Turkish town in Central Armenia, has been evacuated by the Turks, according to a dispatch from Petrograd received here today by wireless telegraph from Rome.

Recent advices from Petrograd said that the Russians after beating off energetic Turkish counter attacks were converging on Erzingan from three sides and that the Russian advance guards were within ten miles of the fortified city.

The Turks were reported by Russian aviators to be destroying the stores and supplies.

RURAL CARRIERS IN CONVENTION AT SPRINGFIELD

(ASSOCIATED PRESS TELEGRAM) Springfield, O., July 26.—Three addresses by men connected with the U. S. mail system were given at the Wednesday forenoon session of the fourteenth annual convention of the Ohio Rural Letter Carriers' Association being held in this city. The speakers were S. A. Kinnear, postmaster of Columbus, who came as the personal representative of the federal postoffice department; W. D. Brown of Washington, D. C., editor of the R. F. D. News and Arch W. Smith of the Ohio highway department.

Kinnear in his address paid a tribute to President Wilson for what he characterized as a fearless and faultless stand in the present European and Mexican crises.

SIX CIVILIANS ARE EXECUTED BY GERMANS, REPORTED.

(ASSOCIATED PRESS TELEGRAM) London, July 26, 9:15 a. m.—Six civilians have been executed by the Germans at Ghent, charged with "war treason," according to a Reuters' Amsterdam dispatch quoting the Telegram.

The dispatch also says that the Germans have removed 7,000 men, 2,000 women and 150 pupils of the Turgot institute from Br. Aix, presumably for agricultural work in Germany.

AMERICAN PUBLISHER BARRICAD IN ENGLAND.

(ASSOCIATED PRESS TELEGRAM) London, July 26, 1:05 P. M.—S. S. McClure, the American publisher who was detained for some time by the British authorities on his arrival at Liverpool on the American liner Philadelphia, must return to the United States Sunday on board the same vessel in the meanwhile sojourning at an unnamed watering place inland "for his health," according to a statement made by government officials today. The British home office declined to grant a permit for Mr. McClure to stay in England.

TODAY IN CONGRESS

The congressional business for today is thus summarized:

Senate.
Met at 10 A. M.
Senator Kern gave notice of caucus decision to consider child labor bill before adjournment.
Resumed debate on army appropriation bill.
House.
No session, meets Thursday.

DEUTSCHLAND IS TO CLEAR LATE TODAY

(ASSOCIATED PRESS TELEGRAM) Baltimore, July 26.—Arrangements to clear the German merchant submarine Deutschland were made late today by Captain Paul Koenig, commander of the vessel, who it was said he personally would go to the custom house, after regular hours to secure the necessary papers.

The Deutschland was given another submerging test at her dock today. When she arose to the surface ten minutes later her commander, Captain Paul Koenig and Constructor William Pruse, expressed their satisfaction with the results.

It was learned that the submergence of the craft is necessary to trim her cargo properly.

Respecting a report that the Bremen, the Deutschland's sister ship which is hourly expected in American waters, would go to Boston, it was said at the offices of the Deutschland's agents here today that the Bremen would seek shelter at the nearest, safest and most convenient port of the Atlantic seaboard.

BRITISH CRUISER DASHES INTO BAY THEN OUT AGAIN

(ASSOCIATED PRESS TELEGRAM) Norfolk, Va., July 26.—The British cruiser which made a dash into the waters of Chesapeake bay during the early hours of yesterday and then slipped back to the patrol line outside the three-mile limit as mysteriously as she came, still was unidentified today by there was absolutely no doubt of her unusual visit.

Officials here have made reports to Washington and while none of them believe the cruiser violated any precept of international law all agree it was a most unusual proceeding. Obviously the cruiser was looking for evidence of the German underwater liner Deutschland now at Baltimore waiting to start on her dash back to Germany.

The armored cruiser North Carolina weighed anchor at Old Point at 1:30 P. M. and headed for the capes. Two torpedo boat destroyers preceded the cruiser. It was stated at Old Point that the three ships were under orders to lay off the capes until further instructions.

DRYS APPEAL A CLEVELAND CASE TO HIGHER COURT

(ASSOCIATED PRESS TELEGRAM) Columbus, July 26.—The question of whether or not the court of appeals has the right to review the decision of a mayor in a residential local option case is raised in the suit of J. W. Heininger against Harry L. Davis, mayor of Cleveland, filed in supreme court today.

The wets petitioned for a local option election to be held in a residence district in Cleveland, including parts of Cedar avenue, S. E., East 83rd and 84th streets, Woodland and Cumberland avenues.

Mayor Davis decided in their favor. The dries, seeking to prevent the proposed election, asked the court of appeals to reverse the mayor's finding, but the application was dismissed, the court holding it was without jurisdiction to hear the appeal. The dries now appeal to the supreme court.

COLUMBUS MAY CHANGE TIMES

(ASSOCIATED PRESS TELEGRAM) Columbus, July 26.—Up to noon today 292 members of the chamber of commerce had voted on the proposition to change Columbus from central to eastern time. Of this number 163 votes were against the proposition and 222 were for it. One reply came back marked, "I don't care." This was set as the last day on which the votes would be received.

FLOOD PROTECTION A CAMPAIGN ISSUE.

(ASSOCIATED PRESS TELEGRAM) Columbus, July 26.—Flood protection has become an issue in the Franklin county campaign. Voters directly affected by flood legislation and protection have launched a movement to have candidates state their stand upon the issue.

NEW MIAMI TRUSTEE.

(ASSOCIATED PRESS TELEGRAM) Columbus, July 26.—Governor Frank B. Willis today announced the appointment of Samuel W. Richie, Republican, of Cincinnati, to be trustee of Miami University to fill the unexpired term of the late Ben F. Runkle. The term expires February 28, 1917.

TWO BROTHERS DROWN.

(ASSOCIATED PRESS TELEGRAM) Medina, O., July 26.—Charles Wheeler, 27, and his brother, Elam, 19, both residents of Chippewa Lake, were drowned late last night while bathing in the lake.

\$114,000,000 OF JUNK.
Washington, July 26.—Junk men in the United States collected \$114,000,000 worth of scrap iron and other metals last year, the Geological Survey announced today.

As a heavy passenger train near Colfax, Cal., was passing a curve a man leaped from the rear vestibule and waved at a young woman in one of the forward coaches. The engineer chanced to be looking back, caught the wave, and thinking something had gone wrong, stopped the train.

FIRE BUG

LOVING SPECTACULAR BARN BURNERS BELIEVED TO BE OPERATING IN NEWARK

Fire Which Destroyed Stable Yesterday Afternoon, Ninth or Tenth Since June First.

Is Newark harboring a fire fiend who delights to see spectacular blazes in barns well filled with hay? This is the question which local police and fire officials would like to have answered definitely. They are of the belief that the only answer is in the affirmative.

With the practical destruction of the barn occupied by Weiant & Crawford in the first alley east of Hudson avenue between Wyoming and St. Clair streets, about 4:30 o'clock Tuesday afternoon, the total number of barn fires since June 1 has reached nine or ten. In nearly every case, the origin has been a mystery. The origin of the fire yesterday is as much a mystery today as it was when the blaze was first discovered by Mrs. H. C. Higbee.

An alarm was turned in from Box 21, Hudson avenue, and a fire engine street soon after the discovery of the blaze, but before the department arrived, the flames, with dry hay as its fuel, gained great headway and the blaze was leaping from the gable when the headquarters' hose company swept past the building with a line of hose.

For three quarters of an hour the firemen struggled with the blaze before it was finally extinguished. A part of the roof fell in shortly after the firemen invaded the loft with a line of hose, but fortunately the pipe-men were not caught under the slate and burning timbers.

A short time before the blaze was discovered, an extra horse kept in the barn was taken away by a blacksmith. The animal's life, no doubt, was saved as there was some fire in the lower part of the stable and the smoke was stifling. The animal would have been suffocated in a short time if it had been caught in the barn during the fire.

At the time of the discovery of the blaze, no one was seen in the vicinity of the barn. The mow was well filled with hay and as far as is known no one was in the mow during the day. Mr. Crawford stated that none of his employees had been in the mow with a light of any description for a year or more.

The barn practically is a total loss. Insurance amounting to \$400 was carried on the structure which will not cover the loss. Mr. Crawford estimated his loss on wagons, feed and harness at about \$50.

This is the first box alarm responded to for several months, most of the calls to the department coming in by phone. The firemen responded promptly, waiting only long enough for the bell to finish the box number before the trucks rolled out of the station.

NEWARK CHILDREN MEET TOMORROW AT Y. M. C. A. BLD'G

There will be a meeting of all Newark children at the Y. M. C. A. tomorrow at 3:00 o'clock. At this time the children will be told of the special features of the annual week holds for them. The "Word Contest" for which two prizes are to be given and which is open to every child in the city will be explained and the children's festival which will be discussed. All children and others interested are invited.

CAMP PERRY

(Continued from Page 1.) but it is believed about the same number will be lost from its ranks. Captain Joseph H. Nicholas, of the adjutant general's office today paid off the headquarters, hospital detachment and company A, Springfield, of the Ninth battalion at Camp Willis today, after which these organizations were relieved from duty and sent home. This leaves Co. B of Columbus, as the only unit of negro battalion on duty at the camp. The Ninth has been on duty at Camp Willis for more than a month. It was called out to aid in getting the camp in readiness and to maintain it.

Sergeant R. W. Springer of Alliance today joined his company here after "beating" his way from the Pacific coast. He is a member of Company K, Eighth Regiment and was heartily commended by Colonel Vollrath for his feat.

When the call for the militia was issued Springer was on the coast and had no money with which to pay railroad fare to Columbus. He declared he would have "felt like a deserter" had he not joined his company, so he began the trip east, bumming rides on freight trains. He had many varied experiences, several times being thrown off trains.

STILL PROBING BANK'S FAILURE AT CINCINNATI

(ASSOCIATED PRESS TELEGRAM) Cincinnati, July 26.—State Banking Superintendent Hall Wednesday continued his questioning today of President S. D. Peacock of the German-American Commercial and Savings bank and H. W. and S. E. Penlock. The latter are also officials of the bank and are the sons of the president. The bank was closed Saturday. The books of the bank indicate that it will pay more than 50 cents on the dollar, according to the state bank department but how much more is not stated.

FRIGHTFUL

(Continued from Page 1.) fortified area from east to west is 9 miles, from Moulainville to Beaura. "The citadel of Verdun dominates the surrounding territory from the left bank of the Meuse, on the site of the ancient abbey of St. Vanne. A circle with a radius of 10 miles drawn about the citadel before the war would have included more than thirty suburbs and villages nestling in vine-clad surroundings. Today practically all these garden spots of verdure and plenty have been charred by the curtains of fire which have swept over the entire region. Some of them, like Flourey and Damoulop, being under the shadow of Fort De Vaux, have become immortal on account of the frightful toll of life which has been exacted in their environs."

BELL-ANS

Absolutely Removes Indigestion. One package proves it. 25cat all druggists.

YOUNG WOMEN MAY AVOID PAIN

Need Only Trust to Lydia E. Pinkham's Vegetable Compound, says Mrs. Kurtzweg.

Buffalo, N.Y. "My daughter, whose picture is herewith, was much troubled with pains in her back and sides every month and they would sometimes be so bad that it would seem like acute inflammation of some organ. She read your advertisement in the newspapers and tried Lydia E. Pinkham's Vegetable Compound. She praises it highly as she has been relieved of all these pains by its use. All mothers should know of this remedy, and all young girls who suffer should try it."—Mrs. MARIAN KURTZWEIG, 539 High St., Buffalo, N. Y.

Young women who are troubled with painful or irregular periods, backache, headache, dragging-down sensations, fainting spells or indigestion, should take Lydia E. Pinkham's Vegetable Compound. Thousands have been restored to health by this root and herb remedy.

If you know of any young woman who is sick and needs help, ask her to write to the Lydia E. Pinkham Medicine Co., Lynn, Mass. Only women will receive her letter, and it will be held in strictest confidence.

IF KIDNEYS AND BLADDER BOTHER

Take a glass of Salts to flush out your kidneys and neutralize irritating acids.

Kidney and bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever. Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.

EASY TO DARKEN YOUR GRAY HAIR

Try this! Brush Sage Tea and Sulphur Compound through your hair, taking one strand at a time.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. For 50 cents you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger. This ready-to-use preparation is a delightful toilet requisite and not a medicine. It is not intended for the cure, mitigation or prevention of disease.

COUNTRY STORE AT BIG PICNIC TO BE FEATURE

At the meeting of the committee in charge of the Farmers and Merchants Picnic which was held yesterday afternoon in the rooms of The Newark Chamber of Commerce, it was decided to make the "Country Store" one of the strongest features of the big picnic August the 10th.

Uncle Dave Metz has looked arms with Granddad John C. Krieg, both pioneers in the store business under who's management the big country store will be conducted.

The managers Metz and Krieg tell us, that no one shall receive less than 10c worth and up to \$5.00 worth in useful groceries, meats or merchandise every time and for only 10c, so that everyone will be more than pleased—as they firmly believe that satisfied customers is the very best advertisement.

In speaking of service, they tell us they will arrange to have at least fifteen experienced and accomplished business men behind the counter to serve the people promptly, so there will be no long wait.

The committee will busy themselves for the next week in securing only useful articles for the big store which will be open for business at 10 o'clock on the morning of the picnic and it will be worth everyone's while to visit the "Country Store" and see their display soon as they enter the grounds.

VANATTA R. F. D. 1

Mr. Harry Hoar and family attended the funeral of his aunt, Miss Jennie Fry at Mt. Vernon last Sunday.

Mr. Ellis Claggett and family visited relatives in Columbus last Sunday.

Carey Bell was helping Preston brothers make hay last week. Morey and Earl Wince called on Walter Preston last Saturday.

Y. W. Clyde visited his son Alonzo Clyde and family of Utica last Sunday.

Mr. and Mrs. Perry Bell of Homer, Mr. and Mrs. Fred Wince of Newark, and Mr. and Mrs. Joe Wince visited Mr. and Mrs. John Wince last Sunday.

Mr. Charles Gillelan called on E. S. Wince last Saturday.

Mr. and Mrs. Lewis Eshelman of St. Louisville, visited the former's mother, Mrs. Kate Eshelman, last Sunday.

Mr. and Mrs. J. P. Preston visited Frank Wince and wife of Newark last Sunday.

Mr. and Mrs. Charles Porter visited Mr. and Mrs. Silas Anderson last Sunday.

Mrs. Wilton Priest called at the home of C. A. Weekly last Sunday afternoon.

Miss Pearl Miller called on her aunt Mrs. George Priest last Friday.

Mr. and Mrs. Kidwell and son Glen spent last Sunday evening at the home of Marion Dunn and family.

Mr. John McCarty has returned home after spending a few days in Newark last week.

Several from here attended the ice cream social at Fallburg last Saturday night.

NEW PRESIDENT SANTO DOMINGO

(Associated Press Telegram)
Santo Domingo, Dominican Republic, July 26.—Federico Henriquez Carvajal was proclaimed provisional president of Santo Domingo by congress today.

President Carvajal succeeds Juan Isidro Jimenez. He was elected by the chamber of deputies on May 17 but confirmation by the senate was postponed at the request of Admiral Caperton, commanding the American naval forces in Santo Domingo. The disturbed condition of the republic was the reason of Admiral Caperton's request.

JUG RUN

Rev. A. K. McCall spent from Saturday until Tuesday with Perry Chapel members.

Mr. and Mrs. John Holdbrook and son, Paul, were the guests of their parents, Mr. and Mrs. Jacob Holdbrook at New Guilford, Sunday.

Miss Annabelle Rinehart is spending the week with her sister, Mrs. Jay Frampton at Perryton.

Mrs. Bessie Taylor of Collwell is making an extended visit with Mrs. E. C. Howell.

Mrs. Jay Frampton and daughter, Doris of Perryton, spent Saturday with her parents, Mr. and Mrs. E. D. Rinehart.

Mrs. Mace Frampton of Perryton is visiting her son, William Frampton.

Mr. and Mrs. Melvin Ashcraft and children, Hilda and Enla and Miss Enla Cessna were Newark callers Tuesday.

Mr. and Mrs. Allen Cessna spent Thursday in Newark.

Mr. and Mrs. J. E. Martin and family and Miss Enla Cessna, returned to Mr. Vernon and visited at the home of George Stamm, Sunday.

JOHNSTOWN R. F. D. 4

Mr. J. L. Cullison and family are visiting relatives of Perryton for a few days.

Mrs. Ralph Crotinger spent Friday with Mr. and Mrs. T. S. Bruce.

Mr. Logan Barlick and family made a business trip to Newark Saturday.

Quite a number from the route attended the funeral of Mr. Harry Hoover of Appleton Sunday.

Mr. and Mrs. Frank Nemeyer of Middleport returned home Monday after a week's visit with their daughter Mr. and Mrs. Harmon Clark.

Mr. Charles Stout made a business trip to Newark Monday.

Mr. A. J. Dixon purchased a new automobile one day last week.

Miss A. A. Vernon, daughter called on Mrs. Emma McClurg Monday afternoon.

Mr. and Mrs. A. J. Dixon, Mr. and Mrs. R. C. Dixon, Mr. E. Dixon and family, Mr. and Mrs. Bernard Lovell, Mr. and Mrs. C. B. Everett were Utica callers Saturday evening.

Mr. and Mrs. Logan Barlick and son spent Sunday with the latter's parents Mr. and Mrs. John Jones of Black Run.

Mr. Alva Greenwood and family of Johnston were calling on the latter's parents Mr. and Mrs. C. W. Barlick.

Mr. and Mrs. A. J. Dixon, Mr. and Mrs. R. C. Dixon, Mr. E. Dixon and family of Black Run, and family of near Johnston.

Mr. P. R. Belt made a business trip to Newark Tuesday.

Mr. and Mrs. Arthur Hall called on Mr. R. C. Dixon and wife Sunday evening.

Abe Martin

Folks who look ill complain the least. Opportunity rarely shows up, but temptation has a regular route.

Unfortunately, beastly weather is not restricted to the Zoo.

CAR SERVICE TO CHAUTAUQUA WILL BE GOOD

The North End street car line almost touches the Hudson avenue ground chosen for next week's chautauqua. Supt. F. G. Clinis of the Ohio Electric Railway company has promised extra and sufficient car service and will run cars from the chautauqua ground to East and West Newark without change of cars at the public square.

Now that the chautauqua is almost here the tickets are selling more rapidly and it is noticed that those who are most enthusiastic are people who attended the chautauqua program last year or the previous summer. This year's program is better than any chautauqua heretofore presented in Newark. That is the verdict in other cities where this season's program already has been given.

The Newark club women are in charge of this year's program and have the tickets for sale. Tickets obtained this week are \$2 each for the entire program, Aug. 1 to 8, inclusive. After the chautauqua starts the price will be \$2.50. Tickets may be obtained at the Y. M. C. A., the Y. W. C. A., Hall's drug store, Evans' drug store or from the following women, who have each appointed others to assist in the sale: Mrs. Henry S. Fleck, of Hudson avenue; Mrs. Harry Hays, 11 Clinton street; Mrs. E. V. Bowers, 12 St. Clair street; Mrs. C. D. Paramore, Jefferson Road; Mrs. O. M. Burke, 832 Indiana street; Mrs. Harry Gibson, 290 Elmwood avenue; Mrs. Wm. Zentmeyer, 175 West Main street; Mrs. Wm. L. Prout, 59 North Fifth street; Mrs. Elizabeth Legge, 94 Granville street; Mrs. W. D. Fulton, Church and Sixth streets; Mrs. E. S. Randolph, 261 West Church street; Mrs. A. H. Rickert, 144 North Fifth street.

25 Years Ago

(From Advocate, July 26, 1891.)
Colonel William Veach, Mayor A. M. Stewart, Capt. John Stasel, B. G. Myrtle, Byron Stanberry, Daniel Burlington, Fred Kockendorfer and a host of other Democrats have decided to attend the Judicial convention at Hartford.

Messrs. Harry T. Irwin, Jesse Humphrey, Ollie Bins, and Hugh Hardy left at noon yesterday for the Rock Dam on the Licking River where they will camp for two weeks.

Wm. A. Ashbrook, of the Johnstown Independent, passed through the city this morning on his way home from Chicago.

15 Years Ago

(From Advocate, July 26, 1881.)
The member of the First Presbyterian Sunday school are enjoying a delightful picnic at the beautiful encampment grounds today. They were chaperoned by the teachers and Rev. L. S. Boyce.

Fred Rooser left this morning for Buffalo where he will visit the Pan American Exposition, Niagara Falls and other places.

Mrs. S. B. Williams and daughter are in Zanesville visiting Mrs. Williams' parents, Mr. and Mrs. W. D. Smith of Putnam Hill.

A. H. Heisey is in Columbus on business.

The World War a Year Ago

Today—July 26.

French reports stated that there was a violent cannonade in Le Pretre forest, German bombardment of Pont-a-Mousson and also of Hartmannswillerkopf, in Alsace. French aviators dropped shells and steel arrows on a German military railroad station near Montfaucon, France.

Italian naval force occupied Pelagos, off Dalmatia.

Two Turkish gunboats sunk in the sea of Marmora by a British submarine.

JACKSONTOWN

There will be an open meeting of the Grange on Friday night, the Newark members furnishing the program. Mr. Andrew Mitchell has charge of the program. Everyone is invited to be present at this meeting. The Pomona Grange will be held here on Saturday, August 4th.

Mrs. Mary Campbell and Miss Sarah Swan are spending several weeks at Waverly, Va., guests of their nephew, Mr. Clarence Prior and family.

Mrs. Frank Garrett and son Earl of Roseville is visiting at the home of Mrs. A. B. Gray.

Dr. Allan G. Crow of Cleveland, spent Sunday with his parents, Mr. and Mrs. L. E. Crow.

Misses Mable and Helen Wallace and Mr. Andrew Wallace attended the First Presbyterian Sunday school picnic at Moundbuilders' Park on Thursday.

Mr. and Mrs. Walter Wolcott, Miss Ethel Wolcott of Columbus, and Rev. Mr. Conrad were Sunday guests of Mr. Andrew Beard and family.

Miss Flo Williams of Ashland, Ky., is the guest of her cousin, Miss Mary Osburn.

Mr. and Mrs. William Cash of Akron are spending a week with Mr. and Mrs. Abram Hursey and other relatives.

Miss Francis Tavnerr has returned to Cleveland after a delightful visit with her parents, Mr. and Mrs. Geo. Tavnerr.

Prof and Mrs. Walter Davis of Columbiana, are spending the summer with their parents, Mr. and Mrs. J. F. Davis.

Mr. Harvey Orr made a business trip to Corning and New Lexington on Thursday.

When money talks it must talk in silvery tones, since silence is gold.

The Haunting Charm of Hawaiian Music

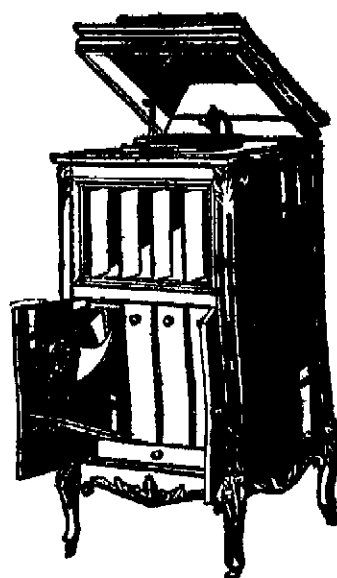

HAWAIIAN music has a fascination that grows. Listen to the strange, sobbing plaintiveness of voices, the all-but-human notes of the Hawaiian guitar and the rhythmic throbbing of the ukulele in these Columbia Records, and you will feel the weird enchantment of night in the South Sea Islands:

- A1616 ALOHA OE. Toots Paka Hawaiian Company. 10 inch 75c.
- HAWAIIAN MEDLEY. Toots Paka Hawaiian Company.
- A1967 MAUNAKEA. Henry N. Clark, Tenor, and Octette. 10 inch 75c.
- KAALA. Robert Kaawa, Baritone, and Octette.
- A1935 ON THE BEACH AT WAIKIKE. Helen Louise and Frank Ferrer. Ukulele Duet. 10 inch 75c.
- HAPA HAOLE HULA GIRL. Helen Louise and Frank Ferrer. Ukulele Duet.

The perfect reproduction of Hawaiian music, with all its strange fascination, is proof of the power and truth of Columbia recordings.

Test this in any form of music—Columbia Records will prove it. There is a Columbia dealer near you—let him produce the proof today.

Automobile Tag Contract.

Rumors around the Columbus
state house have led to question of
the manner of contracting for the
1917 supply of automobile tags.
Names of bidders and their bids
have even been discussed. The an-
nounced time for letting the con-
tract was June 10. It is not yet let.
Those who watched the manipulation
last year and saw the Supreme
Court aid the auditor of state in
saying \$12,000 on an illegal con-
tract fear that a similar deal is now
on. For this reason some of the
bidders are withdrawing their bids.

The following letter to Secretary
of State Hildebrand from the Scioto
Sign Company, by L. O. Griffith,
secretary, dated July 22, is self-ex-
planatory:

"For the reason that it appears
that there is again an attempt be-
ing made to let the contract for au-
tomobile license tags under cover
and in violation of law, as in 1915,
we desire to withdraw the bid of
the Scioto Sign Company for the
1917 contract, heretofore filed with
you.

"In accordance with the notice
given by your department on May
16, 1916, we filed a bid for the sup-
ply of tags for 1917, with the un-
derstanding that the bids were to be
opened and the contract let on June
10. When we filed our bid on June
10 we were given to understand that
the Attorney General had ruled that
the bids could not be opened until
July 1 because the appropriation
was not available and no contract
could be entered into until that
time. We were informed that the
bids would be opened on July 1 and
that we would be notified so that we
could be present at the opening of
the bids. Sufficient time has since
elapsed. Unless the delivery of
tags is to be again delayed to the
detriment of the public, and unless
the same excuse for an emergency,
which the Supreme Court has once
already disapproved in your ad-
ministration, is to be created to per-
mit of another deal, there is no rea-
son for delay.

"Your conduct in this matter is
identical with that of last year. It
is apparent that the same tactics are
being employed which resulted in
the manipulation by which bids
were refused 'for lack of time,' and
which enabled you to grant a pri-
vate contract to a political friend
who was not a manufacturer, and
who was estopped from collecting a
profit of 4-4c per pair of tags by
an honest and watchful Auditor of
State, whose decision was upheld by
the unanimous vote of a non-parti-
san Supreme Court. As every man-
ufacturer knows this little private
arrangement would have permitted
the political contractor a profit
double that the manufacturer gets
on the same work.

"Because of increasing business

Daily History Class—July 26.

1789—George Clinton, "sinner," gov-
ernor of New York and vice presi-
dent, born; died 1812.
1863—John Jordan Crittenden, Ken-
tucky statesman and ardent sup-
porter of Lincoln's administration,
died; born 1787.
1814—Hostilities between Austria and
Serbia opened near Belgrade.
1815—Great Britain explained her
methods of blockade against Ger-
many.

ASTRONOMICAL EVENTS.

Planets rise, p. m., Venus, Mars; a.
m., Saturn, Jupiter, Mercury. Brilliant

of north, about 9:30 p. m. Venus sta-
tionary.

for a weekly Willis organ establish-
ed in Columbus. Then Willis told
them, "He said, they would better
take also 'an organ of fundamental
Democracy,'—published in his in-
terest. Now the demands are grow-
ing and they have been told to buy
25 subscriptions to a daily party
paper. Next! It's easy.

As an indication of how leading
Republicans feel toward Governor
Willis this from one of them is en-
lightening: "We could stand for his
mistakes, anyone could make them,
but we can't stand for him thinking
that he is the whole Republican
party."

A Tale of Two Years.

(Philadelphia Record.)
Two years ago the great war be-
gan by the Austrian invasion of
Serbia. Only July 23 Austria as-
tonished the world by an ultimatum
addressed to Serbia, making such de-
mands as were never before made
upon any sovereign nation and giv-
ing it only 48 hours in which to
make a reply. Insulting as all the de-
mands were, Serbia, presumably ad-
vised by Russia, assented to all of
them except the one which provided
for the exercise of judicial functions
in Serbia by Austrian officials. Even
this was not rejected, but Serbia
asked for explanations and an oppor-
tunity for discussion. Two years ago
(July 25) Austria haughtily declared
the reply was unsatisfactory and or-
dered her troops to invade Serbia.

As soon as the ultimatum (was
known England, France, Russia and
Italy sought the assistance of Ger-
many in inducing Austria to extend
the period of 48 hours and to afford
European diplomacy a conference,
or an exchange of notes, or by any
agency that Germany could suggest,
an opportunity to see if Austria's
quarrel with Serbia could not be set-
tled without war. Austria refused
to listen to anybody until Germany
had taken military action, when
there is indirect evidence that Aus-
tria was willing to listen to reason,
but as Germany had acted it was too
late. From first to last Germany
assumed the position that Austria's
quarrel with Serbia was none of the
business of the rest of Europe.

The Austrian pretext was the as-
sassination of the Archduke who was
heir to the crown. That this was not
the real reason, and that it was con-
templated much earlier, is proved by
the fact disclosed by Signor Giolitti
that in August, 1913, Austria pro-
posed to Italy to move against
Serbia in a trial in New York a few
months ago the evidence showed
that a few months later than this
overtures, which was dropped on ac-
count of the attitude of Italy, the
New York agent of the Hamburg-
American Line was instructed to be
ready at a given signal to send sup-
plies to German cruisers.

The first Balkan war occurred in
the fall of 1912. In the following
winter there was a conference in
London to adjust the results with-
out a general war. Germany sup-
ported Sir Edward, now Viscount
Grey, and war was averted. Dr.
von Bethmann-Hollweg paid a high
tribute to Sir Edward for his efforts
in behalf of peace. But immediately
after this conference there was in-
troduced into the Reichstag a bill
adding 136,000 men to the German
army, increasing the annual military
budget \$50,000,000 and levying a
capital tax of \$25,000,000 for mili-
tary purposes. The Chancellor ex-
plained to the Reichstag that the
reason for this was the result of the
first Balkan war, which had weak-
ened Turkey and added to the power
of Serbia, a Slav nation. When
the Archduke was assassinated Ger-
many and Austria were ready.

Russia mobilized against Austria.
Germany instantly attacked Russia
and France, via Belgium. England
went to the support of Belgium. The
most appalling war in history might
have been averted if Germany had
advised Austria to submit her grievance
to Europe. The diplomatic
correspondence between Berlin and
Vienna has not been published, by
either Government.

Newsboys at the Front.

(Brooklyn Eagle.)
The Newark newsboys and ex-
newsboys have just given a dinner
to Samuel H. Silbert, Municipal
Judge of Cleveland, who, less than
20 years ago, was one of them. The
presiding officer at the dinner was a
big advertising man, who started ac-
tive life in Newark as a newsboy.
The man who made the speech which
went with a gold watch from the
newsboys was Judge Harry V. Os-
borne, of the Court of Common
Pleas of Essex county, and other
newsboys who have worked up to
places of responsibility and honor
in the world told stories of the old
days.

That is a fine illustration of the
American spirit and the American
way. There was no law to keep
these boys from earning a living be-
fore they were 14 or to keep them in
school until that age. Yet they seem
to have acquired educations which
serve them and their fellow-citizens
through them. When one
considers such cases—which are not
at all unusual, the only novelty
about this Newark dinner being that
it assembled more self-made men in
one spot than are often found to-
gether—one is led to wonder whether
some of the modern protective
laws do not protect their charges
from opportunity as well as from
hardship. Probably such laws are
made desirable by the congestion
and competition of our great cities,
but we should rejoice that even our
cities still breed stock which finds
their shelter unnecessary.

Quaker Quips

(Philadelphia Record.)
Does the fact that misery loves
company prove that love is blind?
This may be a cold world, but you
can't prove it by the weather man.
Curious thing about debt. The
faster a man runs in the more he
gets behind.

Mexico and the Critics.

(Springfield Republican.)
If the President is to be abused for
inventing Mexican crises, and send-
ing a punitive expedition into Mex-
ico without justification, and mobil-
izing the National Guard and order-
ing it to the border when no need
for its service existed, what becomes
of the old familiar charges that Wil-
son's peculiar infamy consisted in
the fact that he failed to protect
American citizens against robbers
and murderers in Mexico? There
never was a way of protecting Amer-
icans in Mexico against robbers and
murderers, after the resources of
diplomatic representations had been
exhausted, except by the use of the
United States army and navy on
Mexican soil; and any such use ful-
ly and logically developed, meant in-
tervention in the complete sense,
which in turn meant a war of sub-
jugation and conquest.

The President will have the pack
of fault-finders at his heels what-
ever he may do, that has been
proved by three and one-half years
of experience with Mexico. If he
recognized Huerta they would have
arranged him as an accomplice of
government by assassination, and
as the civil war had continued—as
it surely would—we should never
have heard the last of Wilson's in-
tuitious recognition of a man whom
Mr. Lodge himself has described as
a murderer. If Mr. Wilson had re-
pudiated the American Admiral who,
at Tampico, demanded a flag salute
from the Huerta Government, he
would have been consigned to ever-
lasting shame for willingness to have
Old Glory insulted by "secessars."
If he had not sent Pershing into
Mexico, after the Columbus raid, he
would have been burned in effigy in
State street, Boston.

If ever a President should see the
uselessness of trying to satisfy his
critics, Mr. Wilson is that one in
connection with Mexico. It is a great
thing to do what one thinks is right,
even if events prove one's judgment
to have been unsound. Even the
Bird family's Boston Advertiser has
lately conceded that "the present
Mexican trouble is due to the Admin-
istration's very laudable desire to see
better justice done to the people of
Mexico." Nothing deeply iniquitous
about that can be discerned, seeing
that the people are some 80 or 90 per-
cent of the total population. Mr.
Wilson, in the future, may well for-
get his critics and just stumble
along. The American people, and
posterity also, will forgive him if he
stumbles in the right direction.

Protect Birds for
Man's Sake.

(Pittsburgh Gazette Times.)
The pecuniary losses suffered in
this country through the slaughter
of birds by hunters are, in their
magnitude, so much like the figures
on the cost of war that they sound
like exaggeration, but we cannot
doubt their accuracy, coming from
Colonel G. O. Shields, president of
the League of American Sportsmen.
In an address before the University
of Pittsburgh Summer School, Col.
Shields proposes, as the only mea-
sure of safety, that the hunting of
birds be prohibited throughout the
country. It is a good idea. Time
was when in our ignorance we
thought birds were destructive to
crops, that they robbed men of
what rightfully was his, that they
served no good purpose. Since we
have learned more about them, we
know that birds are man's friend
and helper, that they destroy in-
sects and vermin, which, were they
permitted to multiply, would soon
drive man off the earth. Having
killed the birds we have to expend
enormous sums in fighting insects
and vermin that the birds were put
here to destroy. If we saved the
birds our farm crops would be so
much greater there ought to be an
appreciable decrease in the cost of
foods. That is worth considering.
Colonel Shields' suggestion that all
bird hunting be forbidden should be
acted on by the several legislatures,
which also might provide for the de-
struction of cats, which are as de-
structive to birds as are the hunters.

Pointed Paragraphs

The European war is two years old
this week. Here's hoping it will not
have another birthday.—Philadelphia
Gazette-Times.

It is understood that the injury to
crops through the recent storms was
entirely negligible in Mexico.—Sav-
annah News.

Those who chide President Wilson
for keeping our soldier boys broiling
in the heat of the border are some-
what illogical. The boys might be
fighting in the hot interior of Mex-
ico by now if President Wilson had
not acted with wise restraint.—Chi-
cago News.

Belgium is discussing the reorgan-
ization of its government. There
was a time when it was feared that
there would not be enough of Bel-
gium left even to reorganize.—Wash-
ington Star.

No matter on what grounds execu-
tive clemency is to be extended to
Sir Roger Casement, the clemency it-
self is certainly the wisest statesman-
ship.—Chicago Herald.

In Texas, where there was a deal
of clamor lately for the Govern-
ment to clean up Mexico, the enlist-
ment is 28 one-hundredths of 1 per
cent.—Pittsburgh Gazette-Times.

The Germans must be wondering
what part of the line to reinforce
next.—Detroit Free Press.

"What is Americanism?" We
shall have the answer in November.
—Los Angeles Times.

An in Napoleon's day, God is still
on the side of the heaviest artillery.
—New York Evening Sun.

Mr. Hughes won't say what he
stands for, but noting some of the
men who are supporting him it is
evident that he stands for good
deal.—Charleston News and Courier.

The Advocate's Melting Pot

He was one of those men, and
they are not the commonest, of
whom we can know the best only by
following them away from the mar-
ket place, the platform, and the
pulpit, entering with them into their
own homes, hearing the voice with
which they speak to the young and
aged about their own hearthstone,
and witnessing their thoughtful care
for the every-day wants of every-day
companions, who take all their kind-
ness as a matter of course, and not
as a subject for panegyric.—George
Eliot.

The Idea!
Why should we give the busy bee
So much applause and praise?
For I know doggone well that he
Won't work on rainy days.
—Luke McKelue.

We also are directed to
learn her ways:
When she gets in our road, do you
Think she deserves much praise?

Aunt Caline Says:
Maggie Pyette
went up to New-
ark this week to
attend the sales
which she read
about in our Ad-
vocate an' she got
so excited over
the awful bar-
gains up there
that she stayed
for two days an'
only come home
then 'cause her
butter'n' aig mon-
ey give out. Well,
she come home
yesterday an' I
passed her right spang onto the
street an' never knowed her till she
called to me. She had got her a
new figger an' one of these here
what you call sportish suits an' a
transformin' fer her hair an' some
high heel slippers an' had did up
her complexion a mite an' bless you,
when she went home Bill which is
her husband, he refused her admit-
tance, not knowin' her an' thinkin'
she was one of these here adventur-
esses what roam about seekin' inno-
cent men to devour.

The Sunday night lunch was go-
ing very well, indeed. One delicious
course succeeded another and every-
thing was being beautifully served
by the maid whose cap, apron and
deportment all proclaimed unusual
neatness and efficiency. If her high
color was noticed at all it was prob-
ably attributed to her anxiety that
everything should be as near per-
fection as human agency could make
it. Placing the final service on the
table this irreproachable maid seized
a chair and tapping one of the
guests on the shoulder said, "Er-
yez'll jist shove over a bit, I'll set
down an' eat me own lunch." A
shudder passed around the table
and considerate guests kept embar-
rassed eyes upon their plates. The

Chicago Tribune is now in
such an agony of contagious ex-
citement that even B. L. T., who us-
ually contrives, in spite of his im-
mediate environment, to keep his
shirt almost entirely on, bursts forth
into a war song containing this in-
spiring line: "This is the wish of
we who stay."—Ohio State Journal.

We have long suspected B. L. T.
of being a Harvard man, though he
has elaborately tried to conceal the
fact. The opinion "of we" is that
he might as well own up now.

Circumstantial Evidence.

"An honest man's the noblest work
of God."
And should we, therefore place be-
neath the ban
Of our suspicion, Ebenezer Todd,
Who freely boasts that he's a self-
made man?

Did You Know
That there is a plant that has
neither leaves nor flowers? It is
known as horse-tail, shave-grass or
scouring-rush. It belongs to the
genus Equisetum and there are
eleven varieties. It has stems and
branches and a cone or spike ter-
minate the rush-like hollow stem
which is composed of scales with
spore-cases below. The great horse-
tail, with stems as thick as a man's
finger, is found only on the shores
of the great lakes. It contains a
quantity of silica and is much used
for polishing.

The Dardanelles.
For at least the second time since
the beginning of the war an official
statement has been made in Russia
to the effect that that government
would have control of the Dardanel-
les in the event of victory by the
entente allies. That no mention of
such agreement is forthcoming from
France or Great Britain is signifi-
cant. From indirect references to
the Dardanelles, made by various

statesmen in both the entente and
central groups, it is certain that the
straits will be a prominent factor in
peace negotiations, no matter which
side wins.—Indianapolis News.

More Good Ones.
In company he called her "My dear!"
Just "Mary" when no one was near;
Once she caused him to blush
As she said, "George, do hush,
There's no one around now to hear."
—Miss O. L. Baker.

He called her his sweet little dear;
She thought that her mother was near;
And said with a blush,
"Oh, Robert, do hush."
But her small brother said, "Aw, I
hear."
—Geneva Stephenson.

"Here comes my own Billy so dear,"
Said Mary as William drew near;
Brother Sam saw her blush,
Little sister said, "Hush!"
For fear Uncle Jamie might hear.
—Victor H. Barnes.

The Trade of Lying.
Life on the old back porch is fine.
No matter how the cats may whine;
And, oh, how sweet it is to lie
So near the cupboard filled with pie!
—Baltimore Sun.

If it doth seem so sweet to lie,
Why choose a cupboard full of pie?
Take, rather, some clear, purring brook
And lie about the fish you hook.

Discovered.

Candidate Hughes.

The end of the pussy-footing cam-
paign is near. Sometime or other
Mr. Hughes had to come out of shel-
ter his Bridgman piazza and say
something that could be heard all
over the country, and next Monday
is the date selected, because the or-
deal could not decently be deferred
any longer. "It is a safe bet that
even next Monday Mr. Hughes will
not, in the language of Life, point
out the place where the country got
off the right road because of the
blunder of the national chauffeur.
He will, of course, denounce the in-
capacity and weakness of the Demo-
cratic administration, but he will be
too prudent to put his finger upon
any specific act. To do that would
invite exposure and refutation."
Philadelphia Record.

ANNOUNCEMENTS

The following candidates are an-
nounced for nomination subject to
the decision of the Democratic voters
at the primary election, August 8,
1916.

Representative to Congress.
JOHN F. KRAMER.
WILLIAM A. ASHBROOK.

State Senator.
CLYDE REASONER (Zanesville)
J. HENRY MILLER (Newark)

Representative.
AUSTIN ORR.
L. C. DAVIS
JAMES J. HILL

County Auditor.
J. S. CLIFTON, Etna Township.
FRANK F. ORR.

Sheriff.
SETH W. HAIGHT.
FRED S. WILSON.

County Treasurer.
R. L. PATTON.
JOE E. BROWNFIELD.

County Recorder.
WILL H. MILES (2nd Term)
WILLIAM A. FLEMING.

Probate Judge.
WALTER S. AYRES
ALBERT WARNER.
GEORGE L. MILLER.
DR. S. S. RICHARDS.

Clerk of Courts.
FRANK B. DUDGEON
CHARLES W. GUNION

Prosecuting Attorney.
B. F. McDONALD.
J. V. HILLIARD

County Surveyor.
JOHN C. SWARTZ

County Commissioner.
(Three to be Nominated.)
C. D. LAKE.

County Clerk.
MANLY R. LOCKE
T. H. RANDALL.

County Judge.
J. C. BUTT
PERRY E. TYGARD, Union Tp.
T. B. HIRST.

County Recorder.
GEORGE GARLINGHOUSE
JOHN E. MCCracken.

County Recorder.
CHAS. C. BRICKER
JESSE T. REES

County Commissioner.
ORVILLE KIGER (2nd term)
CHARLES E. GREEN

Clerk of Courts.
HAROLD HARTSHORN
MICHAEL SACHS

BLACKLISTING BY ENGLAND IS NOTE'S SUBJECT

(Associated Press Telegram)
Washington, July 26.—A communication to Great Britain dealing with the principles involved in the blacklist against American firms is practically ready and will be sent to London within the next few days. Acting Secretary Polk discussed the question with President Wilson today and then returned to the state department to complete the work on the document.

Ambassador Page at London today advised the state department of an informal discussion he had at the British blacklist of American firms. Department officials indicated that the scope and effect of the blacklist order was gone over in detail and the Ambassador learned that the British authorities hold that the order will not affect American interests so seriously as is believed here.

At the state department it is declared that some of the American firms on the list are free from the least suspicion of German commercial or other connections.

Mr. Polk said today the department has taken up with the British embassy seven or eight individual cases of American firms blacklisted.

Wall Street
(Associated Press Telegram)
New York, July 26.—United States Steel was the center of interest at the opening today, the "volley" one per cent dividend coming as a surprise to the short interest. Steel's initial offering consisted of 12 1/2 shares at 36 1/2, followed by 20 shares at 36 1/2, a maximum gain of a point. Other shares of the same class rose a point or better, with similar advances in munitions, motors and equipments, and almost two for industrial alcohol. Reactions of fractions or more followed the selling for profits there were large transactions in the new French notes at a slight concession.

Failure of the market to respond to the steel advance and extra dividend was a distinct disappointment. Steel which made up over 1-3 of the first hour's business surrendered all its ad-

(Chicago Grain.)
(Associated Press Telegram)
Chicago, July 26.—Wheat: prices took an upward swing today largely because of warm weather in the northwest threatening to increase black rust damage. Open market prices with Sept. at 12 1/2 to 12 1/2 and December at 12 1/2 to 12 1/2 were followed by additional gains and then a moderate reaction. Much crop reports carried corn up-grade. Lack of rain was the chief complaint. After opening 1/2 to 1 1/2, 1 1/2 higher, the market scored a further advance before beginning to react.

Cats hardened with other cereals. Offerings were scarce. Provisions showed no decided change. There was not much pressure to sell.

(Cleveland Live Stock.)
(Associated Press Telegram)
Cleveland, July 26.—Cattle: receipts 200; steady. Calves, 100; steady. Sheep and lambs: receipts 1000; steady.
Hogs: receipts 1500; strong. Yorkers, heavies and mediums 10.25; pigs 10.00; roughs 8.00; stags 7.50.

The Chief Justices of the United States, beginning with the first and continuing to the present day, have been as follows: John Jay, 1789-1795; John Rutledge, 1795 for one term of the court, but was not confirmed by the Senate; Oliver Ellsworth, 1796-1801; John Marshall, 1801-1835; Roger B. Taney, 1836-1864; Salmon P. Chase, 1864-1873; Morrison R. Waite, 1874-1888; Melville W. Fuller, 1888-1910; Edward D. White, 1910.

Mexican names that are euphonic in Spanish are awkward when pronounced in English. The vowels have the same sound as in German. I has the sound of a strongly aspirated 'i', and the 'e' is pure. The double 'l' is rolled, and the double 'r' is followed by the resonant sound of 'y'. The accent is on the ultimate when the word ends in a consonant, usually on the penultimate when ending in a vowel. Exceptions are indicated by use of the accent mark.

Exploration has proved a long maintained theory that Finnish Lapland contains vast deposits of the highest grade of iron ore, equal, if not superior to the best Swedish.

Wall Street
(Associated Press Telegram)
New York, July 26.—United States Steel was the center of interest at the opening today, the "volley" one per cent dividend coming as a surprise to the short interest. Steel's initial offering consisted of 12 1/2 shares at 36 1/2, followed by 20 shares at 36 1/2, a maximum gain of a point. Other shares of the same class rose a point or better, with similar advances in munitions, motors and equipments, and almost two for industrial alcohol. Reactions of fractions or more followed the selling for profits there were large transactions in the new French notes at a slight concession.

Failure of the market to respond to the steel advance and extra dividend was a distinct disappointment. Steel which made up over 1-3 of the first hour's business surrendered all its ad-

W. M. Jones

The Homeseekers' Friend

17 LANSING BLOCK

(Political Advertisement.) PATTON FOR SHERIFF

R. L. PATTON.

R. L. Patton, Democratic candidate for Sheriff at the Primary on August 8th, has the reputation among his friends and neighbors, with whom he has lived for half a century, as a man of fair play and honest dealings. No one who knows him well can dispute this fact. He was nominated by the Democrats for Sheriff two years ago, but was defeated because it was not a good Democratic year. However, in his home precincts, Monroe Township and Johnstown, he received three times as many votes as his Republican opponent, despite the fact that Governor Willis ran well and carried the precincts.

He is again seeking the same nomination, which rightfully should be his by acclamation. He is not asking for more than he feels is justly due him. He was only defeated by 14 votes two years ago, and comes to you again this year for your support. He cheerfully offers to redeem to your party the highly important office of Sheriff. He says if you will nominate and elect him for two terms he will not seek further public office in Licking County. What could be more fair and honorable than this? Is not this characteristic of Mr. Patton as a man of fair play and square dealings? He is not asking you to nominate and elect him Sheriff and then nominate and elect him to some other county office. He comes out fairly and squarely and appeals to you, man to man and Democrat to Democrat, and says: "Nominate and elect me Sheriff for two terms and I am done." He covenants with you and gives you his promise. You should accept his word and give him not only your vote but your influence. You will never regret voting for R. L. Patton and he will never forget you for the favor.

He should have your support.

1. Because he is well qualified for the office and will make a good Sheriff.

2. Because he is justly and rightly entitled to a renomination.

3. Because he has never held public office.

4. Because he has a good record as a citizen and Democrat.

5. Because he is the strongest man and will win in November.

It is your duty to vote for him—your duty to your party and your duty to Mr. Patton. Do not neglect this duty nor shirk your responsibility, but on August 8th go to the polls and for Sheriff place the X thus:

X R. L. PATTON.
7-22-26-29-aug2and5

BIBLE STUDENTS' AUGUST PROGRAM; SUNDAY'S MEETING

The Associated Bible Students are still doing the Lord's business at the "old stand," which was built in 1856 on Elmwood avenue. The old Welsh church on Elmwood avenue was not surely built in vain, for after having served as a place of worship of the true and living God for three score years, it is now, we think, even as never before in its history, providing shelter for the revelation of God's divine plan, through His written word, which we see more clearly as the time unfolds.

The writer, since old enough to believe at all, took the Bible as the truly inspired word of God, but not until forty years of such faith and subsequent association with the International Bible Students Association did I understand the Divine Plan as set forth in The Book. The Associated Bible Students believe the whole Bible, as the inspired Word of God, going back to the original Hebrew and Greek for every portion of it.

If any who are not satisfied in their understanding of the Bible and have a desire to know the whole truth of God's word as revealed through the inspired writer, we are pleased to have this great privilege of giving you an invitation to the place of meeting in Elmwood avenue. We have no assurance just how long this gracious invitation may be extended. But so long as it is ours to give, we gladly do so, asking no support in any way, that matter being left altogether with the individual. Our ministers get no salary, deeming it a gracious privilege to preach the "Glad Tidings" of good to all people—gratis.

"Woe is unto me, if I preach not the gospel." (1 Cor. 9:12 to 23.)

Before we enter into our August program, we have something very good that should interest you all greatly. Next Sunday, the last sermon in July, at 3 o'clock p. m., we

W. H. SPRING

Formerly with Parish Company in Newark, who speaks next Sunday for the Associated Bible Students at Elmwood Avenue church.

expect something extra good, along the line of the lecture of Pastor C. T. Russell as some will remember "The Battle of Armageddon," when the Auditorium theatre would not supply the room for all desiring to hear and see the noted Bible teacher.

You need not be surprised to hear that you have quite as great a privilege next Sunday, when you can hear W. H. Spring of no less important city than Newark, at one time Brother Spring's home city. Mr. Spring hails from Portsmouth, O., and his lecture at the Welsh church next Sunday will be on the subject, "Eden on the Wreck of Armageddon," one of the greatest of Bible themes.

Mr. Spring is a fast and able talker, sticking closely to his subject, and if you keep the thread of his discourse, there will be no danger of going to sleep even if a hot day like last Sunday, since the subject is so good and the speaker so forceful.

"A prophet is not without honor, save in his own country," and we feel doubly honored to have Mr. Spring with us next Sunday, since we held him in very high regard when in Newark, and now still more to have him return with a great lecture on so important subject, in the greatest year that this world has ever seen. He will tell us all about

Make North Fork Place of Beauty

Dam Suggested Near Main or Indiana Streets to Provide Bathing, Boating, and Skating on Stream Now Unightly and Unsanitary.

The conversion of the North Fork of the Licking river, from East Main street to the waterworks dam, from an unsightly, unsanitary stream, into a beautiful body of water, suitable for boating, bathing and fishing in the summer time, and an ideal spot for skating in the winter, is not an impossible event of the future, if a suggestion made by officials of the Licking County Fish and Game Protective Association, which has already taken root, develops into the popular movement indicated by favorable discussion already heard.

By the construction of a dam at a point near the East Main street bridge over the North Fork, a stage of water averaging eight feet deep might be maintained in the stream to a point close to the waterworks dam. This depth would be ample for row boats, canoes and motor boats. It would be a simple matter to provide a bathing beach along the riverbank, from which there would never be any danger of sharks such as are annoying bathers at Atlantic coast resorts. It would furnish an opportunity for pleasure boating over a stretch of about two miles of water through scenery which naturally is beautiful.

The cost would not be great and might be taken care of by popular subscription or, if the municipality desired to take up the project, it could be provided by a bond issue. By licensing all boats, charging a small fee for bathing privileges and selling concession rights, such a project no doubt would prove a source of considerable revenue.

The consummation of the proposed improvement, would furnish ideal amusement to the citizens, at a cost within the reach of everyone, and practically within their own doorways.

General John C. Speaks, chief Game Warden of Ohio, upon a visit to Newark recently, when he inspected a proposed site for a state fish hatchery, was impressed with the possibilities of the stream for just such a purpose. He declared that the community should not overlook the opportunity to beautify the spot and provide an amusement place for all the people. He assured the officials of the fish and game association that the state would be glad to stock the stream if the local association "would put the deal across."

Such a resort would do more than anything else to keep Newark people in Newark and to keep Newark money at home. This stream, beautified in accordance with these suggestions, would prove not only popular in Newark and Licking county but in adjoining counties as well.

The proposal should find hearty support among business men in the city and among the owners of property abutting on the stream, all of which would be enhanced in value should the improvement be made.

Among the fishermen of the city it would prove immensely popular as fishing both above and below the proposed dam would be splendid. Old time fishermen declare that the pool just below the dam would be an ideal spot for an afternoon's sport.

In connection with this proposal it has been suggested that Horn's hill could be acquired and with a few improvements made into an ideal summer resort for picnics and similar gatherings. Horn's hill always is cool. Its crest provides a beautiful view of the surrounding country and is swept continuously by refreshing breezes.

That the North Fork would be a popular bathing and boating place under such conditions, is indicated by the fact that each day this summer, hundreds of Newark young people have made the difficult journey to the bathing pool below the waterworks dam and have enjoyed the limited facilities offered there for bathing purposes.

The proposed improvement, it is said, already has been informally discussed by one of the Chamber of Commerce bureaus. The fish and game association, with more than 1,000 members in Newark and Licking county, is strongly in favor of the proposition. Those interested are anxious to learn the sentiment of the public in regard to the proposal.

The Rotary Club, too, has informally discussed the matter and it even has gone so far as to secure the advice of an engineer, who was enthusiastic over the proposal.

preaching, giving their time and talent free, that all may get the benefit—rich and poor alike.

Three meetings each Sunday afternoon, 1:45, 3 and 7 p. m.—the 3 o'clock more especially for the public. Come one, come all, to hear our old friend and fellow-townsmen, W. H. Spring, next Sunday at 3 p. m.

H. R. EMERY.

Readers' Viewpoint

Everlasting Gas Question.

Editor of The Advocate: We have read the communication of the esteemed Gas Company in your issue of yesterday with very peculiar feelings. When our city council entered into a five years' contract with this company, which provided for a graduated increase in the gas rate, we naturally supposed that the company was acting in perfect good faith, and that they expected to do all that was necessary to provide us with a full supply of gas. But now we are again informed that they are too all-fired poor to make the necessary connection with their line at Granville—that beautiful village being so many, many miles away—and they are virtually threatening us with the continuance of the freezing process, unless we accept their proposed "compromise" in reference to the narrow fund.

Such seems to be their standard of fairness and equity—if we credit them with having any standard or notions of fairness and equity!

MANY THOUSAND CITIZENS.

SPANISH WAR VETS ELECT A PRESIDENT.

Cedar Point, O., July 26.—Frank Auth, of Toledo, succeeds Alex Frank of Cincinnati, as commander of the Ohio Spanish-American war veterans. He was elected yesterday, defeating H. C. Kelly of Dayton.

Mrs. Florence Clarke, of Cleveland, was elected president of the woman's auxiliary.

See all number with P. Smith Street No.

DE FACTO TROOPS TO SOUTHWARD IN PURSUIT OF VILLA

Columbus, N. M., July 26.—Caranza troops at points south, east and west of the headquarters of the American punitive expedition in Mexico have disappeared, according to apparently reliable reports received here today. Opinions prevailed that the de facto government troops have been withdrawn southward for operations against Villa bands who are said to have sprung up within the past three weeks.

Fifty motor truck drivers recruited in eastern states arrived here today and will be assigned for immediate duty on lines in Mexico to succeed other drivers whose contracts have expired.

To add to the efficiency of the quartermaster's department in Mexico twenty-four cook carts and a score of supply wagons will leave Columbus during the week. At the same time a large number of remounts for officers and men will be sent.

Amusements

The Auditorium.

William Farnum has discovered that he is an Egyptian. It took one of the leading Egyptologists on the Pacific Coast to prove it to him.

While at Huntington Lake, where many of the scenes for William Fox's photoplay, "The Man From Bitter Roots," were taken, Farnum went fishing. In accordance with the custom of the place, the trout that the actor caught were baked in a coating of blue clay, before they were cleaned and finally ready for serving.

One of the clay cases particularly attracted Farnum's attention, and he took it home to be used as a smoking tray. On his library table, the Egyptologist found it.

"By heavens, Mr. Farnum," said the man, "you've stumbled on something rich. That's a perfect specimen of old Egyptian ceramics. It's from the period of the Ptolemies!"

W. M. FARNUM.

Mr. Farnum's eyes twinkled as he explained that he had come upon the thing in the mountains of California. This further excited the scientist, who had visions of tracing the migration of Egyptians to this country. And then when his dreams had grown into a feeling of certainty that he had stumbled upon the secret of the Aztecs and Indians, Mr. Farnum asked:

"Some wise Egyptian made it, eh? He must have been a great man."

"He was said the scientist enthusiastically. "He was one of the greatest of the Egyptians!"

"Then I'm an Egyptian," said Farnum calmly. "That's what I baked fish in, up in the mountains. I did it myself."

The scientist slipped sadly away. William Farnum in "The Man From Bitter Roots" will positively be shown at the Auditorium today, together with a Metro Drew comedy that is said to be a great laugh getter, also a Metro travelogue that is both educational and instructive. In all, Manager Fenberg promises one of the best shows of the season.

Alhambra Tonight and Tomorrow. Alice Brady will give a private showing of "La Boheme," which has been made into films under the title of "Mimi," to her friends at the Metropolitan Opera House. Caruso, Calvert, Scotti and Bonci will be invited.

Practice makes perfect, but the people who flatter themselves are not always successful in flattering others.

\$10,000 STAKE BRINGS OUT 8 TROTTERS

PASTEST LIGHT HARNESSES HORSES IN GRAD CIRCUIT AFTER WARE PRIZE.

Peter the Great's Daughter Driven to New World's Record in Yesterday's Event at Detroit.

(Associated Press Telegram)
 Detroit, July 26.—Eight of the fastest trotters in light harness racing were called to start in the 25th renewal of the historic merchants and manufacturers \$10,000 stake for 2,000 trotters at a grand circuit meeting here this afternoon. Although Mabel Trask was favorite before the race, the field was of such high class that one of the greatest contests in the history of the stake was looked for. Among other entrants Tramp, St. Frisco and Rusticart were well thought of.

A 2:14 pace and a 2:14 trot, each with a purse of \$1200 made up the balance of the day's program. Twelve horses were entered in the former and thirteen in the latter event.

Miss Harris M., a daughter of Peter the Great, beautiful driven by Len McDonald, yesterday afternoon won the \$500 Board of Commerce stake for 2,000 pacers, the feature event of the second day's Grand Circuit meeting. Incidentally McDonald drove the Indianapolis mare into a world's record for two consecutive heats by a 4-year-old mare and also established a new record for the Board of Commerce stake heretofore known as the Chamber of Commerce stake. The new mark for the stake was set in the first heat, which was covered in 2:01 1/2, and the world's record was completed when Miss Harris M. negotiated the second mile in 2:01 1/2.

Miss Harris M. completely outclassed the field in the first two heats. In the first mile McDonald held her back until the three-quarter pole. Here he let her out, and the buy mare, in fourth place, with a tremendous burst of speed, quickly overcame the lead of the other horses and won by a length. The second heat was a repetition of the first. McDonald driving his mare in several lengths ahead of the other horses.

The third heat furnished the real fight of the race. Miss Harris M. won in a thrilling finish, with Savoy, Sadyelensense and Billy Dale. Billy Dale led to the three-quarters, with Miss Harris M. in second place. At this point the field closed in and the finish was so close that many of the spectators were uncertain as to which had won the race.

The 2:12 trot, for 2-year-olds, with \$800 added, was captured by Harold's Creek, which took the last two heats from Expressive Love. The latter, which was picked to win the event on the strength of her showing at North Randall last week, took the first heat with little difficulty but lost by a nose in the second and was so far behind in the third that Murphy slowed down before reaching the finish. The last half of the second heat was stepped in 1:57 1/2.

The other event on the card was the 2:12 pace, which went to Patrick M. While Dexter Direct and Timmer also took a heat each, the decision went to Patrick M. under the placing system in effect at the meeting. The second heat won by Timmer, provided the best contest, the finish being so close that only the judges could separate them.

Summaries:
 2:12 trot, Hotel Wayne, 2-year-old sweepstakes, 2 in 3, \$800 added: Harold's Creek, ch. m., by General Watts (Englewood) 2 1 1
 Expressive Love, b. m., by Atlantic Express (Murphy) 1 2 2
 Brownie Watts, br. f. (B. Fleming) 3 3 3
 Lightsome Watts and Peter Dixie, also ran.
 Time—2:05 1/2, 2:11 1/2, 2:10.
 2:12 pace, Board of Commerce Stake, \$500, three heats:
 Miss Harris M., b. m., by Peter the Great (McDonald) 1 1 1
 Sadyelensense, ch. m., by At- (Thomas) 3 2 2
 Savoy, blk. g. (Flynn) 11 5 2
 Goyle C. B., b. m. (Vandine) 2 10
 Other starters were: Billy Dale, Ben Earl, Lillian T. Roan Hal, White Sox, Fleming, The Beaver and Pat Cannon.
 Time—2:01 1/2, 2:01 1/2, 2:04 1/2.
 2:12 pace, purse \$1200, 3 heats:
 Patrick M., blk. m., by Northels (Stoddy) 1 3 3
 Dexter Direct, br. h., by Baron 7 6 1
 Timmer (Egan) 8 1 1
 Duimich, b. m. (Lindsay) 8 1 6
 Derby Custer, ch. g. (Murphy) 6 2 2
 Other starters were: Allen, Ted Mike, Contention B. and John Malcolm.
 Time—2:05 1/2, 2:04 1/2, 2:04 1/2.
 To Beat 2:30 1/4 Trotting:
 Virginia Fox, m., by Peter Dare (Cobb) on Time 2:20 1/4.

WELSH HILLS

Mr. and Mrs. Wm. Price of Chicago are visiting their brother Evan Price and other relatives here.

Mr. and Mrs. Floor of Newark were guests at the home of Mrs. Luther Eckelberry last week.

Mrs. Belle Davis was the guest of Mrs. Ben Jones last Wednesday.

Mr. and Mrs. Albert Hankinson entertained the following guests at a summer Friday evening: Mr. and Mrs. Wm. Price of Chicago, Mr. and Mrs. Evan Price, Mrs. Walter Packham and son Pierce.

Mr. George Hottinger is slowly improving from his recent illness.

Mrs. Archie Hankinson and sister Miss Alice Jones spent last Thursday at the home of their aunt Mrs. Ben Jones.

Prof. and Mrs. Plum, Prof. and Mrs. McPherson, all of Columbus, were entertained at supper Saturday evening at the Evergreen Farm, being the guests of Mr. and Mrs. H. E. Price.

Mr. and Mrs. A. M. Burdick and Mr. Lamp and family all of Newark, spent Sunday with Mr. John Hottinger and family.

Francis and Catherine Davis are entertaining their friend, Miss Esther Reese of Newark this week.

Mr. D. E. Williams and daughter, Mrs. Esther Williams of Columbus, Dr. Reese Williams of New York and Mr. Fred Williams of Lincoln, entertained a othis place last Wednesday afternoon and called on a number of relatives here, the forenoon was spent with relatives at Alexandria and Granville. Their stay was short as Mr. Fred Williams was to be in Chicago Wednesday night.

Mr. and Mrs. Elhu Hayes, south of Granville attended church here Sunday.

Miss Ina Starnes of Shawnee is visiting at the home of her grandmother Mrs. Mary C. Williams.

Mr. Oscar White of Granville, who filled the pulpit here Sunday morning, was entertained after church at the home of Mr. Carey Evans.

Mr. Samuel Spies visited friends in Morrow Co. over Sunday.

Mr. J. M. Cad, spent after church at the home of H. E. Williams.

Mrs. Mary C. Williams and son William, her granddaughter Miss Ina Starnes, and Mr. Guy Griffith spent Sunday with Byron Williams and family.

Miss Hazel Hottinger is entertaining her cousin Miss May Lamp of Newark this week.

Mr. and Mrs. Albert Hankinson and son Tom, Eva, Anna and Richard Price, and their friend Lenha Winee of Newark, spent Sunday evening at the home of Mr. Evan Price.

WORLD'S RECORD BROKEN IN TROT AT LIMA RACES

Lima, July 26.—Wilks Brewer established a world's record for a half mile track yesterday by winning the 2:11 class trot. The fastest time was 2:08 1/2. The fifth heat time for this mare, 2:08 1/2, is the fastest fifth heat time ever made over a half-mile track. The average of the heats of the 2:11 trot is also a record. The six races in six days have produced 50 heats as a unique record. Lima day, touted as a winner, obtained second money in the big event and won the first two heats.

HARLOW SCORES 96 OUT OF 100 IN MARION SHOOT

Marion, July 26.—Ninety-seven trap shooters representing 12 clubs of the Central Ohio League, participated in the fourth shoot of the season here, yesterday. In the amateur shoot at 100 targets, Fred Harlow of Newark was high with 96, while four tied for second place with 95. R. O. Holkes of Lima was high in the professional shoot with 98 and L. W. Cumberland of Columbus was second with 98. The next shoot will be held at Circleville, Aug. 29.

TOWNSHIP TRUSTEES HELD WEEKLY MEETING.

The township trustees held their regular weekly meeting Tuesday afternoon. Numerous bills were paid, not a single relief case was up for consideration — something that speaks well for the good times Newark is now having.

After the meeting adjourned the trustees went to the northwestern part of the township to look over the proposed road through the Keller, Priest and Price farms recently granted by the county commissioners.

Among the trustees it is the consensus of opinion that the road should be built as it would entail an enormous cost to the township and be of little or no practical good.

The Norwegian government has purchased three motor steamers, the Bandon, Champan and Fanger from the East Asiatic company of Copenhagen, for \$2,500,000. The ships will be employed exclusively for the service of the Norwegian State Supply commission.

"WUZZERS" AND "IZZERS" CLASH IN BALL GAME

Knights of Columbus Outing Thursday Promised to Be a "Hum-dinger" — They're All "Hot Up."

The members of the Knights of Columbus are all excited and "hot up" over the monthly outing Thursday afternoon at McCabe's farm, west of the city.

A special program will be put on that promises to be interesting and varied. A baseball game for the Council Championship will be played between the married men ("Wuzzers") and the single men ("Izzers") of the Council. A beautiful prize will be awarded the victors.

At the proper time, a program of aquatic sports will be presented, exhibiting for the first time in this part of the state, a new water sport, "Zeppelin's Submersible," which will appeal to all live spirit-inclined men.

In keeping with such a strenuous program, caterer Frank Hansome promises sweet corn roasted on the cob, meats, etc.

The Committee urges every "live" Knight to be present at the square, takes 2 o'clock westbound, Silverbrook car, get off at McCabe's. The committee will do the rest.

Mr. and Mrs. G. W. Chapin spent Sunday with their daughter Mrs. Chas. Fisk and family.

Mrs. Doris Moore and children Ralph and Carlton, returned home Monday evening after spending two weeks with the parents in Newark.

Mr. Otto Davidson and Miss Anna Hampton spent Friday night with their cousins Mr. and Mrs. John Miller.

Mr. and Mrs. Chas. Parker and son Raymond called on Mr. and Mrs. L. N. Porter Sunday afternoon.

Mr. Fred Miller of Akron spent from Saturday until Monday with his parents Mr. and Mrs. David Miller.

Mr. Carl Hudson of Newark is visiting his cousin Mrs. Minnie Layman and family.

Mrs. Allen Moore spent Monday afternoon with Mrs. Dollie Miller.

Consumers Is Brewed Expressly for the Home

This unusual beer is brewed for the unusually discriminating—for those critical judges who will have the best.

Cost is never considered in connection with the brewing of "Consumers." Back of every bottle is "the pride of craftsmanship"—the ambition to produce a super-beer—a beer that can invite comparison and invariably profit by it.

Colored Peoples' Picnic.
On Thursday, August 3, the big colored picnic will take place at Buckeye Lake Park. On that date colored people are expected from all over Ohio and at least 2,500 will attend from Columbus, Newark, Delaware, Springfield and Piqua will also send big delegations.

Up to Ninety-four.
Ninety-four in the shade was recorded yesterday afternoon. The hot wave is surely holding on with a vengeance. Many gardens are drying up for the want of rain. The weather man promises continued warm weather for today and tomorrow with probable thundershowers.

Missionary Meeting.
The Missionary Society of the Plymouth Congregational church will meet Thursday afternoon at 7:30 o'clock at the home of Mrs. C. L. Wilcox, at 162 Ninth street.

Sunday School Class Picnic.
The Elizabeth Scott Sunday school class of the First M. E. church will hold a picnic at Idlewild park, Thursday afternoon, July 27. All members of the class and their families are requested to be present.

Building Permits.
Building permits have been issued at the office of the public service department to L. C. Russell for a six-room frame dwelling in Western avenue to cost \$900; to S. D. Brooks for a cement block barn, rear 21 North Fourth street to cost \$1000; to the Wehrle Realty Co., for two five-room dwellings, 333 and 337 Wehrle avenue, to cost \$3050.

West End Lawn Fete.
On August 8th a lawn fete will be given by the West End ladies for the benefit of the new St. Francis de Sales school. The committees are now at work and there is no doubt that a large crowd will be present. The lawn fete will be given at the corner of Eleventh and Jefferson streets.

Four Fingers Amputated.
Harry Wright, aged 30, of Columbus, while working at the Musical

Cabinet company at Indiana and Boylston streets. At 8 o'clock Wednesday morning, had his left hand mangled in a jolting machine, and was taken in the Bradley ambulance to the Sanitarium, where it was found necessary to amputate all of the fingers of his left hand but the thumb. Wright had been only one week in the employ of the Musical Cabinet company.

Memoirs to Zaneville.
About 50 members of Bigelow council, R. & S. M., of Newark expect to go to Zaneville this evening to confer the royal and select degrees on a class of candidates for Zaneville council. Following the initiatory work a banquet will be served.

Birth Announcement.
Mr. and Mrs. John C. Ober of 90 Mareoun street, announce the birth of a 11-lb. 10-oz. boy, today morning at 2:30 o'clock. Father has smiles from ear to ear. Says "one sonnier more for Uncle Sam."

In Police Court.
Report had it yesterday that Ella Irwin had been lodged up on a charge of conducting a disorderly house. The police arrested two people at the Irwin house but the owner of the place was not lodged in jail. The parties arrested were fined by the mayor.

Brought to Hospital.
Nelson Sayer, 15 years old, who was injured yesterday near Grandville when he was caught in the bull wheel of an engine at a gas well, was brought to Newark this morning in the Bazler white ambulance and taken to the City Hospital for treatment. Dr. C. J. Loveless of Grandville is attending him.

Return from Long Trip.
Mr. and Mrs. Paul M. Halbrook and son Cooper, and Mr. and Mrs. John Evans, returned Monday from a two weeks' trip through the East, visiting Buffalo, Thousand Islands, Boston, New York, Philadelphia, Washington and other points, covering 2,800 miles on the trip. The party experienced no trouble of any kind until reaching Wheeling on the last leg of their journey. A punctured tire was discovered at the end of the day's run and caused no delay as they expected to spend the night in Wheeling and repairs were made before the journey was resumed the following morning.

Fined for Bathing.
A young man arrested this morning for bathing in the North Fork near Main street without proper attire, was fined \$10 and costs by Mayor Bigbee this afternoon.

\$20 and Costs for Speeding.
Henry Etnier, arrested several days ago on a charge of exceeding the speed limit while driving an automobile, pleaded guilty this morning before Mayor Bigbee and was fined \$20 and costs. The case was continued several times, finally being set for this afternoon but Etnier decided to enter a plea of guilty.

Auto Breaks Window.
A window in the office of the Licking Laundry in the Union Block was broken yesterday by a stone thrown by an automobile. The machine passed over a stone the size of an egg. The rubber tire touched the side of the stone, which was thrown with such force as to shatter the plate glass window.

Testing Trucks Here.
Mechanics in charge of two Kisselcar supply trucks for the Columbus fire department, visited local fire headquarters here shortly before noon. The testers were trying out the engines and running gears of the trucks before being finally completed. The trucks are used to convey coal and supplies to pumping engines while on the "fire line."

Three Drunks Fined.
Three drunks arraigned before Mayor Bigbee this morning, fines of \$5 and costs being assessed. **Created Much Excitement.**
Police Chief Sheridan and Officer Hurlbach shortly before noon arrested a young man in Pearl street and lodged him at the city prison on a drunk charge after he had almost caused hysterics among the women of several households in Seventh and Eighth streets between Church and Grandville. The man, suffering from mental distress, entered several houses but made no effort to violence. Several called police headquarters in rapid succession but in each case he had "just left." Finally a call came in from Grandville street, saying that he was in the house. A hurry trip in the patrol wagon was made and the man was overtaken in Pearl street and taken into custody. Later he was sent to the county jail for treatment. He told the officers that he sought refuge in the various houses because "the girls were after him."

Man Caused Delay of Five Days in Proposed Negotiations.
Preliminary conferences between Polk and Mexican Ambassador designate fail of result.

Associated Press Telegram.
Washington, July 26.—Development in the diplomatic discussions with the de facto government of Mexico have been at a standstill five days, awaiting a reply from General Carranza to suggestions transmitted through his ambassador designate Eliseo Arredondo. This was stated officially at the state department in reply to reports from Mexico City that the Mexican membership of the proposed commission to seek a solution of the border difficulties had been selected.

Preliminary conferences between Acting Secretary Polk and Mr. Arredondo have so far failed to produce any definite result. No decision to submit disputes to a commission as proposed in Gen. Carranza's note of July 11 has been reported, and no reply has been made as yet to that note. It is understood that the powers of the commission have been put greater than Gen. Carranza has proposed. An informal suggestion to this effect was forwarded by Mr. Arredondo some days ago, but so far as is known he has received no reply.

The delay of the de facto government and the fact that inaccurate statements as to the status of negotiations have been made public in Mexico City, inclined some officials today to the opinion that a serious obstacle had been encountered in the efforts to decide upon the scope of the proposed commission's discussion.

LICKING
Our Sunday school is planning a picnic for August 9th to which there is a general invitation extended to everybody. The place has not been designated as yet.

Mrs. A. K. McCall is spending a couple of weeks with her daughter, Mrs. A. R. Black, Fred Black and little son, Willis, spent last Sunday with the Misses Mayhew and Mary Rutter returned home Monday after an enjoyable visit with Pittsburgh relatives.

Rev. Harford of Granville and Rev. Clarence Edahy and little daughter, Mary Elizabeth, of Granville, called on Licking relatives last Tuesday.

Mr. and Mrs. R. V. Sperry and son Donald of Newark, spent Thursday afternoon with relatives at this place.

Rev. A. K. McCall spent Tuesday night and Wednesday at the R. L. Black home.

Cards are out announcing the wedding of Miss Ethel Sharer and Charles Slater, Aug. 5th.

Mrs. John Thropp and son and daughter here last Sunday morning.

Mrs. Fred Black and little son and Mrs. James Black spent last Thursday at the home of Mrs. Charles Ruffner.

Miss Elizabeth Sprinkle of Tennessee, is visiting at the home of her uncle, W. B. Evans.

Real Estate Transfers.
Charles H. Swank, as sheriff, to John S. Jones, 200 acres in Granville township, \$35,000.
William Byron Ritter to Hannah S. Allen, lot 1403 in Ballou's addition, \$1, etc.
Ross Davidson to Christina Reese, lot in Elmwood avenue, \$1, etc.

Commissioners Office.
The county commissioners today heard the engineer's report on the Disbennett ditch in Jersey township. They will announce their finding at a later date.

Probate Court.
Matilda J. Lee has been appointed administratrix of the estate of Jas. C. Lee, late of Newark township. Bond, \$3000.
Edward E. Brown has been appointed administrator of the estate of H. J. Brown, late of this city. Bond, \$200.

H. B. Harris of Utica, O., has been appointed executor of the will of Mary C. McLaughlin, late of Washington township. Bond, \$2000.

Jos. W. Hower has been appointed administrator of the estate of Emma J. Shank, late of this city. Bond, \$1600.

Divorce Petition.
Bessie E. Rowlin has filed a petition in probate court against Earl J. Rowlin. The parties were married December 27, 1910. The plaintiff in that petition alleges cruelty in that defendant was in the habit of beating her, knocking her down and calling her vile and indecent names. She alleges that on July 24, defendant came home drunk, beat her and choked her and then broke up the furniture and dishes and drove her from home, telling her never to come back. She also alleges that defendant has been an habitual drunkard for more than three years. Plaintiff asks for a divorce and permanent alimony.

CARRANZA
MAN CAUSED DELAY OF FIVE DAYS IN PROPOSED NEGOTIATIONS.
Preliminary conferences between Polk and Mexican Ambassador designate fail of result.

Associated Press Telegram.
Washington, July 26.—Development in the diplomatic discussions with the de facto government of Mexico have been at a standstill five days, awaiting a reply from General Carranza to suggestions transmitted through his ambassador designate Eliseo Arredondo. This was stated officially at the state department in reply to reports from Mexico City that the Mexican membership of the proposed commission to seek a solution of the border difficulties had been selected.

Preliminary conferences between Acting Secretary Polk and Mr. Arredondo have so far failed to produce any definite result. No decision to submit disputes to a commission as proposed in Gen. Carranza's note of July 11 has been reported, and no reply has been made as yet to that note. It is understood that the powers of the commission have been put greater than Gen. Carranza has proposed. An informal suggestion to this effect was forwarded by Mr. Arredondo some days ago, but so far as is known he has received no reply.

The delay of the de facto government and the fact that inaccurate statements as to the status of negotiations have been made public in Mexico City, inclined some officials today to the opinion that a serious obstacle had been encountered in the efforts to decide upon the scope of the proposed commission's discussion.

LICKING
Our Sunday school is planning a picnic for August 9th to which there is a general invitation extended to everybody. The place has not been designated as yet.

Mrs. A. K. McCall is spending a couple of weeks with her daughter, Mrs. A. R. Black, Fred Black and little son, Willis, spent last Sunday with the Misses Mayhew and Mary Rutter returned home Monday after an enjoyable visit with Pittsburgh relatives.

Rev. Harford of Granville and Rev. Clarence Edahy and little daughter, Mary Elizabeth, of Granville, called on Licking relatives last Tuesday.

Mr. and Mrs. R. V. Sperry and son Donald of Newark, spent Thursday afternoon with relatives at this place.

Rev. A. K. McCall spent Tuesday night and Wednesday at the R. L. Black home.

Cards are out announcing the wedding of Miss Ethel Sharer and Charles Slater, Aug. 5th.

Mrs. John Thropp and son and daughter here last Sunday morning.

Mrs. Fred Black and little son and Mrs. James Black spent last Thursday at the home of Mrs. Charles Ruffner.

Miss Elizabeth Sprinkle of Tennessee, is visiting at the home of her uncle, W. B. Evans.

What is Good Rope.
Rope is sold by the pound, so there is always the temptation for a dishonest manufacturer to "load" his product with an excess of oil or other material or to make the coil a trifle short. The consumer then pays the full rope price for oil, etc. Then, too, much so called manila contains a percentage of inferior fiber such as sisal and has neither the strength nor wearing qualities that it should. Tensile tests do not tell the story, for some of the adulterators are almost as strong as manila, but the strength of poor rope falls off rapidly with use.

Open the strands and look at the inside of an old rope for signs of wear, as it wears faster there than on the outside. When a rope passes over the sheave of a block or around a cleat the strands slide a little on each other, and the inner fibers gradually pulverize.

Good manila fiber is light colored, fine, silky and strong. Rope made from it is smooth, with few ends of fiber sticking out.—Outing.

Missed a Sale.
"It seems to me," said a Main street tradesman, "that everybody's writing or dictating letters these days. Nine customers out of ten who come in here ask for postage stamps."

"This morning a woman was here browsing around. She looked over the entire stock. I thought I had a customer. After she finished the rounds she remarked: 'Oh, I nearly forgot. Have you any postage stamps?' I said yes and asked her how many she wanted. She handed me a wrapped newspaper and asked me how much I thought it ought to have to carry it to its destination. I weighed the darned thing and told her a cent would be sufficient. 'Is that all?' she said. 'Well, I have a one cent stamp in my pocketbook. I thought it would come to me. Thank you very much.'—Richmond Times-Dispatch.

Elusive Zeppelins.
In his book "Zeppelins and Super-Zeppelins" R. P. Hearne points out the little known fact that it was a Frenchman named Spiess, an Alsatian, who about 1870 drew up a clever design for a rigid airship and made an attempt to patent it. In 1870 Count Zeppelin was a dashing soldier in Alsace, and Mr. Hearne thinks it more than likely that he saw Spiess' plans and annexed the idea.

The Zeppelin is a most elusive object despite its astounding speed. It can drop rapidly. It can climb at a steep angle. It can dive wonderfully, and it can nose from side to side with no mean agility. To reckon its altitude at night is most difficult, and to find its range is a matter of much nicety.

How a Snake Swallows a Frog.
The method of swallowing is a very simple one, although if the frog be large more than half an hour may be consumed in the process. The two bones of the lower jaw are separate and capable of independent movement, so the reptile loosens its hold upon one side of its jaw, and, pushing that side forward as far as possible, it drives the teeth in again and draws the jaw back to its original position. The result is that the prey is drawn down by the movement. The process is then repeated by the other half of the jaw, thus inevitably forcing the victim inward. The snake's skin stretches enormously, and the jaw is, of course, dislocated, but the extensible ligaments hold the bones together.

Gladiators.
The gladiators were originally male-factors who fought for their lives or captives who fought for freedom. They were first exhibited at the funeral ceremonies of the Romans, 253 B. C., and afterward at festivals about 215 B. C. When Sulla was reduced by Trojan 1,000 gladiators fought at Rome for 123 days in celebration of his triumph. It is said that in the triumphs of Pompey the Great 10,000 fought through a series of many days. These combats were suppressed in the east by the Emperor Constantine about A. D. 325 and in the west by Theodoric A. D. 500.

The Treadmill.
The treadmill was invented thousands of years ago by the Chinese to raise water for the irrigation of the fields. The invention, somewhat changed, was introduced into England and other European countries and used in prisons as a mode of punishment. One was erected at Bridport in 1817 and soon afterward in other prisons. Toward the end of the century, however, it fell into disuse.

Impertinent.
Mrs. Owens—John, the butcher from where we used to live has found out our address. He called with that last year's bill and was really impertinent. Owens (hotly)—Impertinent, was he? Well, now, he'll just let him wait for his money.—Exchange.

His Sorrow.

Most Eminent Medical Authorities Endorse It.
Dr. Eberle and Dr. Braithwaite as well as Dr. Simon, all distinguished authors—agree that whatever may be the disease of the urinary system in furnishing up with a clue to the principles upon which it is to be treated, and accurate knowledge concerning the nature of disease can thus be obtained. If backache, scalding urine or frequent urination bother or distress you, or if uric acid in the blood has caused rheumatism, gout or sciatica or your suspect kidney or bladder trouble just write Dr. Pierce of the Surgical Institute, Buffalo, N.Y.; send a sample of urine and describe symptoms. You will receive free medical advice after Dr. Pierce's chemist has examined the urine—this will be carefully done without charge, and you will be under no obligation. Dr. Pierce during many years of experimentation has discovered a new remedy which he finds is thirty-seven times more powerful than lithia in removing uric acid from the system. If you are suffering from backache or the pains of rheumatism, gout or your best druggist and ask for a 50-cent box of "Anuria" put up by Dr. Pierce. Dr. Pierce's Favorite Prescription for weak women and Dr. Pierce's Golden Medical Discovery for the blood have been favorably known for the past forty years and more. They are standard remedies to-day—as well as Doctor Pierce's Pleasant Pellets for the liver and bowels. You cannot get a sample of any one of these remedies by writing Dr. Pierce.

Doctor Pierce's Pellets are unequalled as a Liver Pill. One tiny, Sugar-coated Pellet a Day. Cure Sick Headache, Bilious Headache, Dizziness, Constipation, Indigestion, Bilious Attacks, and all derangements of the Liver, Stomach and Bowels.

IS WONDERFULLY GOOD FOR AILING LITTLE FOLKS

National Milk Mother Tells What Nerv-Worth Did for Her 11-Year-Old Sufferer.

The use of Nerv-Worth for children whose weakness and ill health are due to nervous ailments is giving this great family nerve tonic more and more popularity every day, especially during the mid-summer heat.

Evidence to this effect came not long ago from Mrs. Clara C. Dudley, whose address is Box 14, R. F. D. No. 8, East white near Zanesville, and this is what she said and signed her name to:

"Nerv-Worth Co.—For some time past our boy, who is 11 years old, was troubled with nervousness. He had a very poor appetite and was restless at night.

"We gave him two bottles of Nerv-Worth and he got better at once.

"HE IS STRONG AND WELL NOW and can eat and sleep fine and attends school every day.

"MRS. CLARA C. DUDLEY."

"If the child of the reader is in the shape of the little Dudley boy in the above amounts to a message of striking value.

Dollar bank at the T. J. Evans Drug Store, Warden block, if Nerv-Worth does not help you. Adv 8-24-26

ORDINANCE NO. 2613.

BY CARRIAGE.
Determining to proceed with the improvement of Oak Street from Hudson Avenue to Elmwood Avenue by constructing a sewer therein.

Be it ordained by the Council of the City of Newark, State of Ohio—three-fourths of all the members elected thereto concurring:

Section 1. That it is hereby determined to proceed with the improvement of Oak Street from Hudson Avenue to Elmwood Avenue by constructing a sewer therein by constructing a sewer therein in accordance with the plans, specifications and estimates approved and now on file in the office of the Director of Public Service.

Section 2. That all claims for damages resulting therefrom shall be judicially inquired into after the completion of the proposed improvement.

Section 3. That the whole cost of said improvement, less one-fifth thereof, and the cost of all intersections, shall be assessed by the foot frontage upon the following described lots and lands to-wit: All lots and lands bounded and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required, and the serving of said notices, the costs of construction together with interest on the same, and the cost of all other necessary expenses, and that the assessment so to be levied shall be paid in ten (10) semi-annual installments with interest on the deferred payments at the rate of five (5) per cent per annum, provided that the owner of any property assessed may at his option pay such assessment in cash within thirty days from and after the passing of the assessing ordinance to the City Treasurer, in which case the said cash assessment shall not include any item of interest upon bonds to be issued in anticipation of deferred installments of such assessments. That the bonds of the City of Newark, Ohio, shall be issued in anticipation of the collection of the assessment by installments and in an amount equal thereto, and that the remainder of the entire cost of said improvement not specially assessed, including the cost of intersections and the damage awarded to any owner of adjoining property by the City of Newark, Ohio, shall be paid by the issuance of bonds in the manner provided by law.

Section 4. That the following lots and lands shall be assessed for said improvement, to-wit: All lots and lands bounded and abutting upon the proposed improvement on Oak Street between Hudson Avenue and Elmwood Avenue.

Section 5. That the Director of Public Service be and is hereby authorized and directed to make and execute a contract for said improvement with the lowest and best bidder after advertisement according to law.

Section 6. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

Passed July 17th, 1916.
C. R. KELLER,
President

THE MAZEY STORE

THURSDAY--

Shop in The Morning

We Close at Noon

The Clearance Sale lasts this week only. All through the store will be found summer lines which are offered way below regular price.

Citizens Building and Loan Association

TRADES COUNCIL AG'IN PROPOSAL OF GAS COMPANY

The Central Trades Council held a short, but interesting session Sunday morning in Labor Hall. Two or three questions that have been occupying the attention of the people were discussed. The proposition of the Gas Company to divide the sewer fund was one of the matters that claimed the attention of the assembly and a resolution was passed opposing the division of the fund at any rate of per centum.

It is a well known fact that the organized labor interests of Newark have waged an aggressive and active opposition to the efforts of the Gas Company to arbitrarily increase the rates, and they have followed the proceedings through all of the courts, having representatives and attorneys present at every hearing, and they are perfectly willing to abide by the decision of the court of last resort. Councilman-at-large Knauber was commended for his timely article in the daily press, and the position he has taken in the matter.

Another matter under discussion was the question of a public bathing place for the people of Newark. Dr. Knues, health officer, has threatened to stop all bathing in the stream near the waterworks pumping station, “unless the bathers keep out of the water above the dam.” The contention of the health officer in regard to bathing above the dam was endorsed and every assistance will be rendered to stop it. But the Trades Assembly went a step farther and in the interest of the people who go there to bathe and for the convenience of the public, a committee was appointed to wait upon the Chamber of Commerce and see if arrangements could not be made to convert the old power house into a bath house, where the men, women and children could go to change their apparel with some degree of comfort and away from the prying eyes of the “peeping Toms” who insist the place. The Trades Assembly can see no reason why the changes cannot be made at this popular resort, and the people given the benefit of the comforts to be derived, rather than to suffer the discomforts of the present arrangements, and then be in fear of having even that denied them.

Press Committee.

HOT WAVE BOOSTS CONSUMPTION OF CITY WATER HERE

Citizens of Newark are using fifteen hundred thousand gallons more water these hot days than in ordinary weather, according to figures obtained at the waterworks office. The big engines are working at the rate of 25 revolutions per minute and with each plunge of the piston 90 gallons of water are forced into the mains or into the big reservoir on the crest of Horn's Hill. This means that 2,150 gallons per minute are provided for the community or 150,000 gallons per hour.

Between the hours of 6 and 11 o'clock in the evening the gauge at the waterworks office indicates that Newark people are using the greatest amount of water. It goes to quench the thirst of hot dry gardens and lawns, to cool hot and sweaty bodies in the bath tubs and to provide the greater part of the many pitchers of iced lemonade and iced tea consumed by the populace in an effort to reduce the temperature of heated bodies.

The average consumption of water in Newark is three millions of gallons daily. It is lower in the winter time, not necessarily because people do not bathe but rather because gardens are frozen up and do not thirst for a drink from the city's generous cup.

When there is not a heavy drain upon the water mains, the pumping station has no trouble in maintaining a pressure of 110 pounds in the downtown district, or 115 pounds at the plant. However, when all Newark people are bathing, sprinkling or rinking, between the hours of 6 and 10 p. m., the pressure drops as low as 80 and 90 pounds, and when this condition prevails, no reserve stock of water is being pushed to the top of Horn's Hill. These hours in the evening probably are the only hours during the day when water is not being conserved for future needs and emergencies. About midnight the water consumption drops and the pumps, working all night, force thousands, yes, millions, of gallons of water into the reservoir ready for the next day's need.

Probably no city in the country has a more generous supply of good water than Newark. There has been no shortage of water here for years, with the exception, probably, of a very few occasions when an accident disabled the pumps. Even with the very heavy drain during the present hot spell, there has been no danger of a shortage, though the pumps are working close to the limit.

Child Unconscious From Injuries In An Auto Accident

Nelson Williams, four years old, son of Mr. and Mrs. David Williams of Union Station, is in a serious condition at the City Hospital from injuries received Tuesday evening when he was run over by an automobile driven by a man named Smoots, living in Granville. The child was playing with a number of companions in the road in front of his home when the accident occurred. The Bazler ambulance brought him to the hospital and Dr. Brown of Hoboken attended to him. He was unconscious and it is feared that he suffered internal injuries.

Man of Wide Experience and Rare Education Coming to Chautauqua

DR. WILLIAM A. COLLEDGE.

DR. COLLEDGE is a native of Edinburgh, Scotland, and was the first editor of the Technical World Magazine. For several years he was head of the department of language and literature in Armour Institute, Chicago. He is educational director of the Redpath Lyceum Bureau and Chautauquas and is to be one of the headline lecturers in this city. Appearing on the first evening, Dr. Colledge will give his entertaining and vital lecture on “The Mechanism of Personal Power.” Having traveled extensively, including three years with Henry M. Stanley in Africa, Dr. Colledge naturally has had many interesting experiences. He was a boyhood friend of Robert Louis Stevenson and other great men of his day.

ARE ERECTING HOUSES IN THE NEW ADDITION

The Newark Suburban Realty Co. has purchased a strip of land about 1,500 feet in length from the state, the same extending from the Child's Home to the sewer farm. The land will form a part of the lots owned by members of the company in Madison Heights addition and which is being newly improved, a number of houses having been erected this summer.

The Railroads

Two troop trains bearing the members of the 1st Regiment of National Guards from Wilmington, Del., to the Mexican border, passed through Newark this morning via the Pennsylvania line. The first train, 14 cars in all, composed of eight pullman cars, four freight cars and two baggage cars, passed through at 4:30 a. m., with a contingent of 400 men.

The second train, with as many cars as the first, passed through Newark about 12 o'clock and was a part of the 1st Regiment of Wilmington. The men despite their long ride were in good account of their trip being made in Pullman cars. Only a few citizens were at the train to greet the soldiers on their arrival, as no previous information of the troop movement was known here.

Strike Vote Links Today.

NEW YORK, July 26.—The time allowed for the vote of the brotherhoods of railroad engineers, firemen, conductors and trainmen in the east on the question of calling a strike for shorter hours and better pay expires today. The official count of the vote will be made Aug. 1, and will continue until Aug. 5. Officers of the four brotherhoods will assemble here during the remaining days of the week.

Brotherhood officials predicted that the vote of the organizations would be overwhelmingly in favor of authorizing the conference committee to call a strike if the railroad companies refused to grant an eight-hour day and time and a half pay for overtime.

B. & O. Motor Party.

Supt. Donald L. Stevens, of the local Baltimore & Ohio railroad division, John T. Ford, local company official, Rev. Don H. Tullis and Mechanician Reese, left early this morning for a motor trip over the Lake Erie division. The party expected to ride the “speeder” as far as Mansfield and return.

Masonic Excursion.

The Baltimore & Ohio railroad will run an excursion from Belville, Butler and Lexington, Thursday, in honor of the Masonic. Plentiful at Cedar Point, New coaches will be used to transport the Masons and their families from the three towns north of Mt. Vernon.

Chautauqua Company Enroute.

A special car bearing members of the Colt Alber Chautauqua company, passed through Newark this morning via the Baltimore & Ohio line, enroute from Columbus, Ohio, to the city and thence to Middletown, O. The car was brought in to Newark on train No. 110 and departed on train No. 17. While the transfer of the coach was being made, the members of the company visited several of their friends on the station platform.

Newark vs. Wheeling.

The re-named local ball team of the Newark division of the Baltimore & Ohio system league, will go to Wheeling Sunday to play the Wheeling division team. Manager Roll of the locals has strengthened the Newark team by the acquisition of two new infielders, a pitcher and an outfielder, and believes that he has a winning combination.

Received Annual Pass.

Oren J. Payne, fuel clerk of the local division of the Baltimore & Ohio railroad, today became a full fledged official in the receipt of an annual pass.

Dr. L. F. Tierney Here.

Dr. L. F. Tierney, chief medical examiner of the Baltimore & Ohio railroad company, was in the city yesterday and today visiting with Dr. A. A. Church, local physician for the company.

E. C. Copper Injured.

Conductor E. C. Copper, in charge of B. & O. extra west local train No. 2399 today, suffered a laceration of his left hand while unloading roofing at New Concord. The injury was not serious, according to the report of the accident.

Batholomew on Vacation.

Henry D. Batholomew, manager of the local Baltimore & Ohio telegraph office, is on duty on a two weeks vacation. Mr. Batholomew expects to leave in a few days for a trip to the Lakes.

“Dud” Gray Promoted.

E. N. Kendall, division freight agent of the Baltimore and Ohio, was advised yesterday that Dudley G. Gray, formerly with the Baltimore and Ohio, had been made traffic manager of the Western Maryland. He left the service of the Baltimore and Ohio after more than 20 years to his credit and joined the freight staff of the Western Maryland. He now succeeds Ralph Caples, who has gone to Toledo in charge of the traffic department of the Willys-Overland Automobile Company.

Corn Boys' Trip Arranged.

Washington, July 26.—James R. Clarke, superintendent of the junior contest bureau of the Ohio state board of agriculture, accompanied by L. B. Freeman, E. P. Copper and A. H. Shaw, representing the railroad companies, were here today, making arrangements for the annual trip of the Ohio corn boys, the corn boys will spend two days and a night at the nation's capital. They will be given a reception at the White House by President Wilson. Both of the Ohio Senators and possibly a member of the cabinet will speak at a meeting to be held in their honor. A visit to Mount Vernon and the National Cemetery have been included in the sight-seeing tours.

ONLY NEPHEW OF DR. H. H. BAKER DIES SUDDENLY

Herbert Merwin Baker, 11 months old, only son of O. O. Baker of Athens, and a nephew of Dr. H. H. Baker of this city, died suddenly this morning. Dr. Baker was notified of the child's serious illness and intended starting at once for Athens. Before his departure he received another message announcing the child's death.

Funeral services will be held Friday and Dr. Baker will go to Athens probably tonight to attend the services.

ENUMERATION OF SCHOOL YOUTHS OF THE COUNTY

Auditor J. W. Hursey and deputies have completed compiling the enumeration of the school youths of the county between the ages of six and eighteen years. It shows a gain of 57 for the county outside of Newark city and a loss of 170 for the latter over that of the enumeration of 1915. The total enumeration in the county and city is 13,937. Newark has 6181 school youths leaving the county 7816. Last year there was 7759 in the country districts. The city showed an enumeration of 6351 last year and only 6181 this year, a loss of 170.

GOVERNMENT SCOUT ARRESTED, SUSPECTED OF WHISKY FRAUDS

(ASSOCIATED PRESS TELEGRAM)

Columbus, N. M., July 26.—J. S. Parkman, internal revenue agent at Fort Smith, Ark., en route here for the purpose of identifying Guy Johnson, government scout held at Columbus on suspicion of being Guy Hartman wanted in connection with whisky frauds in Arkansas, is expected to arrive today. Agents of the department of justice at Washington, who trailed the prisoner into Mexico are to arrive tomorrow.

Local officers who examined Johnson's identity despite the latter's protestations of innocence.

Rewards aggregating fifteen thousand dollars are said to be offered for Hartman's arrest. Local police officers who at the behest of the army intelligence bureau, apprehended Johnson at the border, have put in claims to the department of justice for the reward.

SCHACKLETON HAS REACHED ICE FIELD IN RESCUE EFFORT

(ASSOCIATED PRESS TELEGRAM)

Buenos Ayres, Argentine Republic, July 26.—According to a message received here today Lieut. Sir Ernest Shackleton, the antarctic explorer, has reached the ice fields in his effort to rescue the 22 men left on Elephant Island last April when his expedition returned from the south Polar zone.

The relief party left Punta Arenas July 3 on board the schooner Emma which was to be towed as far south as possible by a Chilean government steamer after which it was the intention of the explorer to continue his search for his marooned companions.

CONDEMNED MAN CUTS BREAST IN SHAPE OF CROSS

(ASSOCIATED PRESS TELEGRAM)

Sing Sing Prison, N. Y., July 26.—Dr. Arthur Warren Waite, awaiting electrocution here for the murder of his father-in-law, John E. Peck of Grand Rapids, Mich., was found in his cell in the “death house” last night bleeding from a wound in his chest made in the shape of a cross. The prisoner had cut himself with a piece of broken glass. How Waite obtained possession of the glass could not be explained.

It is presumed that when he was taken out for exercise in the courtyard he picked it up and concealed it until he returned to his cell. Waite was removed to the prison hospital, but he steadfastly refused to answer questions. The injury is not serious. A strict watch will be kept on Waite when he returns to the death house.

AUSTRIA DENIES NUMBER CAPTURED BY THE RUSSIANS

(ASSOCIATED PRESS TELEGRAM)

London, July 26, 4:01 A. M.—An official statement issued by the Austro-Hungarian general staff says that only 100,000 soldiers were taken prisoners by the Russians during the present offensive, according to a Budapest dispatch to the morning Post. The statement brands as untrue the claim of the Russians that they took 220,000 prisoners and declares that on the 300 kilometer front where the actual fighting occurred, the number of Austrians and Hungarians engaged was less than this number.

CHAUFFEUR HELD FOR MANSLAUGHTER

(ASSOCIATED PRESS TELEGRAM)

Akron, O., July 26.—Earl Gossett, a negro chauffeur, is being held on a charge of manslaughter and the driver of another auto is being sought as the result of the death, shortly after midnight Wednesday of Miss Stella Sells, 116 West North Street.

The woman was killed in an accident in Manchester road while riding in an automobile, driven by Gossett.

GENERAL R. B. BROWN IS SERIOUSLY ILL.

Zanesville, July 26.—General R. B. Brown, past commander-in-chief of the Grand Army of the Republic and Republican candidate for governor of Ohio in 1912, is critically ill at his home in this city, with but slight chances for his recovery.

General Brown is one of the few civil war veterans who were awarded congressional medals for conspicuous bravery, he having been so decorated for the capture of the colors of the Ninth Mississippi Regiment at Missionary Ridge.
